

Simply Exceeding Expectations

TOP FEATURES ENJOYED MOST BY OWNERS

Having a large porch with sidewalks has really helped create a small community among the neighbors. I have lived in three other communities in the Woodlands. This is the first time I have known and spent time with almost every neighbor on both sides of our street. How many places have chili cook offs w/ pie contests? That are also walking distance to pizza or groceries and schools from kindergarten through sixth grade. I would not move anywhere else in Texas. As we are transferred out of Texas, I will remember Cottage Green.
