

Tell us about your home!

Here's your opportunity to tell us what makes your home special. Answers to these questions will help us create the most powerful marketing campaign possible.

Your favorite home feature? Being able to both sit on the patio or my couch with my coffee in the morning and see the water.

The best thing about the location of your home? feels like a vacation home but you are near to everything you need. We also have an amazing Community here.

What feature of the house had you "SOLD" on it? The patio with the pool and water views along with the boat slip of course.

Nearby area "hot spots" (coffee shops, shopping centers, etc.)? Tons!! Chelsa Wine Bar, Java Owl, Scout Bar (Music venue), Jinya, NASA, Kehma, Villa Capri, Boondoggles, LA Fitness, Perry's and a lot more.

Anything else you would like us to know? Its a great little place that is mostly turnkey unless you want to make changes. If you want any decor or items just let me know because I'll be traveling abroad 122 countries down!!
