- Contractor may need to remove plants and shrubbery which obstruct installation areas. Any item removed will be replanted, but Contractor does not guarantee longevity of plants and cannot be held responsible for the landscaping of the yard.
- Contractor is not responsible for damage to plumbing resulting from deterioration or pre-existing problems and leaks. Contractor will only repair damage to water and sewer lines hit by Contractor while excavating for piling installation. In addition, leaks which may occur during movement, leveling, or stabilization of the structure are the sole responsibility of the Owner.
