WHAT IT'S LIKE TO LIVE BY THE RAIL

- The Red Line is the nearest rail & runs down Fulton
- The Fulton/North Central Station is about a 5 min walk, just take a left on Fulton
- Per seller: the rail is very quiet, and rarely noticeable
- The red line runs every 6 minutes M-F and every 12 minutes on the weekend (during operating hours.) Stick around and see what you think!

TOP DESTINATIONS

- UH Downtown
- Theater District
- NRG
- Texas Medical Center
- Museum District
