Updates and Renovations

The sellers have made many renovations and improvements to their home since they purchased it. Here are some of the main updates they have done in the last few years:

- New Anderson windows throughout
- Automatic hurricane shutters on back of home
- New air conditioner and heating system
- New water heater
- New stainless-steel appliances
- Freshly painted inside and out
- Outdoor siding replaced
- New garage door opener
- Epoxy flooring in the garage
- Tiled patio in front
- All new flooring: wood-look tile, laminate flooring and stone tiles
- Shelving in walk-in closets
- Wood blinds throughout the house
- Updated bathrooms
- Updated kitchen with granite countertops
