

Things I Love About

MY HOUSE

Beautiful views of the forest behind our house

The outdoor living area is a special place where we have family dinners, movies nights, host bbqs and other parties in our huge backyard

I love the layout of the home and its open concept.

There is tons of natural light and windows that look out to the forest behind our home.

The extended garage..because you can never have too much space

MY NEIGHBORHOOD

Our neighborhood is one of the smaller neighborhoods within Woodforest that is quiet and has little traffic (which is perfect if you have little ones who like to play in the front yard).

Its in a perfect location with Woodforest; walking distance to two pools, a park, basketball and tennis courts, and splash pad.

MY COMMUNITY

A wonderful place to raise a family where there is always something to do or somewhere to go (tons of parks, walking trails, splash pad, lap pool, resort style pools, and monthly events to take the kids to)

Convenience with a capital C. There are restaurants, bars, shopping, groceries, dentist etc that is a short golf cart ride away

True sense of community and security within the neighborhood
