WHAT I LOVE ABOUT MY HOME

- Easy access to The Woodlands, 249, 45, 2920, and Grand Parkway.
- We enjoy the amenities available to us as part of the Windrose Community.
- Thankfully, we had no damage through the icestorm (2021) or Harvey (2017).
- I love the primary bath remodel with the extra storage space and bigger shower.
- We really enjoy the sound of rain against the skylight.
- The big windows in the front part of the house allow a more open feel to the home, and provide the right amount of natural light.
- Our kids can walk to their friends' houses.
- We love how close the schools are for the kids.
