Christonher Moran

If the	answer to any of the items in Section 3 is yes, explain (attach additional sheets if necessary):
	single blockable main drain may cause a suction entrapment hazard for an individual.
of rep	en 4. Are you (Seller) aware of any item, equipment, or system in or on the Property that is in nee air, which has not been previously disclosed in this notice? ———————————————————————————————————
Sectio check	n 5. Are you (Seller) aware of any of the following conditions?* (Mark Yes (Y) if you are aware an wholly or partly as applicable. Mark No (N) if you are not aware.)
Y N	Present flood insurance coverage.
	Previous flooding due to a failure or breach of a reservoir or a controlled or emergency release water from a reservoir.
	Previous flooding due to a natural flood event.
	Previous water penetration into a structure on the Property due to a natural flood.
	Located □ wholly □ partly in a 100-year floodplain (Special Flood Hazard Area-Zone A, V, A99, AE AO, AH, VE, or AR).
	Located ☐ wholly ☐ partly in a 500-year floodplain (Moderate Flood Hazard Area-Zone X (shaded)).
	Located □ wholly □ partly in a floodway.
	Located □ wholly □ partly in a flood pool.
J ÞÁ	Located ☐ wholly ☐ partly in a reservoir.
f the ans	swer to any of the above is yes, explain (attach additional sheets as necessary):
*If Bu	yer is concerned about these matters, Buyer may consult Information About Flood Hazards (TXR 1414).
	rposes of this notice:
which i	ear floodplain" means any area of land that: (A) is identified on the flood insurance rate map as a special flood hazard area s designated as Zone A, V, A99, AE, AO, AH, VE, or AR on the map; (B) has a one percent annual chance of flooding s considered to be a high risk of flooding; and (C) may include a regulatory floodway, flood pool, or reservoir.
area, w	ar floodplain" means any area of land that: (A) is identified on the flood insurance rate map as a moderate flood hazar hich is designated on the map as Zone X (shaded); and (B) has a two-tenths of one percent annual chance of flooding s considered to be a moderate risk of flooding.
"Flood p subject	pool" means the area adjacent to a reservoir that lies above the normal maximum operating level of the reservoir and that to controlled inundation under the management of the United States Army Corps of Engineers.
unaer tn	nsurance rate map" means the most recent flood hazard map published by the Federal Emergency Management Agend e National Flood Insurance Act of 1968 (42 U.S.C. Section 4001 et seq.).
a river oi	ay" means an area that is identified on the flood insurance rate map as a regulatory floodway, which includes the channel of other watercourse and the adjacent land areas that must be reserved for the discharge of a base flood, also referred to a ar flood, without cumulatively increasing the water surface elevation more than a designated height.
"Reservo	ir" means a water impoundment project operated by the United States Army Corps of Engineers that is intended to retain delay the runoff of water in a designated surface area of land.

ADDITIONAL NOTICES TO BUYER:

- (1) The Texas Department of Public Safety maintains a database that the public may search, at no cost, to determine if registered sex offenders are located in certain zip code areas. To search the database, visit www.txdps.state.tx.us. For information concerning past criminal activity in certain areas or neighborhoods, contact the local police department.
- (2) If the Property is located in a coastal area that is seaward of the Gulf Intracoastal Waterway or within 1,000 feet of the mean high tide bordering the Gulf of Mexico, the Property may be subject to the Open Beaches Act or the Dune Protection Act (Chapter 61 or 63, Natural Resources Code, respectively) and a beachfront construction certificate or dune protection permit may be required for repairs or improvements. Contact the local government with ordinance authority over construction adjacent to public beaches for more information.
- (3) If the Property is located in a seacoast territory of this state designated as a catastrophe area by the Commissioner of the Texas Department of Insurance, the Property may be subject to additional requirements to obtain or continue windstorm and hail insurance. A certificate of compliance may be required for repairs or improvements to the Property. For more information, please review *Information Regarding Windstorm and Hail Insurance for Certain Properties* (TXR 2518) and contact the Texas Department of Insurance or the Texas Windstorm Insurance Association.
- (4) This Property may be located near a military installation and may be affected by high noise or air installation compatible use zones or other operations. Information relating to high noise and compatible use zones is available in the most recent Air Installation Compatible Use Zone Study or Joint Land Use Study prepared for a military installation and may be accessed on the Internet website of the military installation and of the county and any municipality in which the military installation is located.
- (5) If you are basing your offers on square footage, measurements, or boundaries, you should have those items independently measured to verify any reported information.
