

What We Love About Our Home

We love living in Firethorne and will miss living so close to our friends and wonderful neighbors. Our daughter has made so many wonderful friends in our neighborhood and we have felt so safe letting her play with the neighbor friends as we live in a quiet section with little traffic. Here are some of the things we love most:

1. Amazing Neighbors
2. Lots of walking trails
3. Tons of Amenities included in our low HOA fee (\$850 per yr). Multiple parks, sports fields, tennis courts, sand volleyball court, fishing ponds, fitness gym, and a community club house available to rent out for birthday parties, receptions, etc by residents only.
4. Section 9 is very quiet
5. Gas Stations, CVS, restaurants and retail at the front of the neighborhood
6. Easy and quick access to I-10 via Heritage Parkway
7. Kroger is ~3 miles from our home and the new HEB is close in Cross Creek Ranch
8. Easy access to many amazing daycares
9. Close to Old Town Katy and Fushear
10. Amazing Lamar Consolidated ISD schools.
11. A new development being built a few miles from our home that will include the following retailers and restaurants:
 - a. Target
 - b. Whataburger
 - c. Chick Fil a
 - d. And more!
