

Additional Information for 3627 Avenue M

Five A/C units for the house, office and warehouse:

House - MBR window unit, Main floor and top floor, and lower level

Office - one unit

Warehouse - mini-split in the storage area [heat and cooling]

All A/C units have been replaced since we went under contract in May of 2015 - office unit inside replaced before we closed. The rest of the units and condensers have been since we have lived here.
