What an amazing location this home is in. Located on 8th Street, this house is 2 Blocks from City Parks and Recreational Areas and the Entrance to the Texas City Dike. One of the most popular Fishing Destinations on Galveston Bay.

Texas City Dike

The Texas City Dike is the longest man-made fishing pier in the world, stretching 5.3 miles into Galveston Bay. The Dike is one of the most popular boat launch and fishing areas on the entire Texas gulf coast due to its location, ease of access and great amenities like Dike Beach, restrooms, fish cleaning stations, picnic shelters and more. The base of the Dike has a huge playground, hike and bike trails, bike rentals, 18-hole disc golf course and more; there is something for everyone! (*Dike information courtesy of Texas City.Gov*)
