

Our Home Protection Plans provide you with the coverage you need to protect your home. Covered repairs and replacements can be handled quickly & inexpensively with this convenient program.

PEACE OF MIND PROTECTION

Our programs protect the structure of your home; original systems (such as plumbing, electrical system, water heater, and central heat and air conditioning); as well as appliances included in your home at the time of delivery.

You'll pay a deductible for any repair or replacement of covered items due to defects. This deductible applies to each covered component.

HOME PROTECTION PLANS SAFEGUARD THE INVESTMENT IN YOUR HOME

HERE'S HOW OUR HOME PROTECTION PLANS PROTECT YOU*

Major Structural Defects

The load-bearing parts of your home are covered against defects that affect their function, including the following:

- steel frame

- exterior siding
- roof structure
- structural components of the ceiling

Electrical System

- service panel
- wiring
- ceiling and wall receptacles
- light fixtures
- switch boxes
- switches
- outlets

Central Heating System

- furnace and all component parts
- duct work
- fuel & electrical lines & connections /joints
- vents and exhaust pipes / chimneys

Central Air-Conditioning System

- compressor
- condenser and a-frame
- evaporative coolers
- connections / joints
- vents and exhaust pipes
- fuel and electrical lines and their connections

Plumbing System

- hot and cold water lines
- water waste pipes
- soil pipes and vents
- faucets
- internal assembly parts of the toilet
- water holding tanks

Most Major Appliances

- washer and dryer
- dishwasher
- garbage disposal
- oven
- microwave oven
- range and range hood
- refrigerator
- trash compactor
