**Roof Evaluation:**

- The roof itself is still in good condition and aged at about 10-11yrs old (algae on the front side may make it seem older). This is a 30-year architectural shingle. Roof does not have any leaks occurring or any possible leaks looking to take place. Photos were taken recently if any are needed for proof. If there are any doubt or any further questions needed, please contact me at 713-870-4018 and I'd be happy to chat.
