

Tell us about your home!

Here's your opportunity to tell us what makes your home special. Answers to these questions will help us create the most powerful marketing campaign possible.

Your favorite home feature? I love the large front porch and the beautiful elevation of my home. The porte-cochère adds additional parking space to the 2 car garage and is a great covered outdoor space for social events.

The best thing about the location of your home? My house has easy access to Westpark tollway and the Grand Parkway. The schools nearby are exemplary.

What feature of the house had you "SOLD" on it? The beautiful elevation, openness of the house, and the park next door. The park is like an extension to our property.

Nearby area "hot spots" (coffee shops, shopping centers, etc.)? Just minutes from Kroger, Lowe's, Starbucks, and many shops & restaurants. La Centera is a 10 minutes drive with upscale shopping and dining.

Anything else you would like us to know? The neighborhood is quiet and peaceful with a lovely walking trail accessible at the end of our cul-de-sac. The neighbors are friendly especially Dan & Irmq across the street!
