To All Property Owners
Woodlands West

Dear Property Owner:

The purpose of this letter is to keep you advised of the major improvements in Woodlands West. We list below the status of these improvements.

1. Utilities. For some time now electricity is being furnished to Woodlands West by the Bluebonnet Electric Coop. As an owner, all you need do is to advise Bluebonnet you need and require electricity and complete your arrangements with Bluebonnet.
2. Water. Two weeks ago a contract was prepared and signed by the developer to drill an adequate water well and to provide water to each property owner should you desire a hook-up. Weather permitting this complete system should be installed and ready for your use upon request.
3. Roads. As you know, parts of the roads in the addition are completed. By the middle of summer we hope to have all roads completed.

There are a few choice lots that have not been sold. Should you be interested, contact the Pioneer Land Sales Company in Lyons for details. If you are presently an owner, a very attractive price will be extended to you.

We, the developers, feel that Woodlands West is a good, sound investment for you. You have made a good investment now and for the future. You will enjoy being a part of the Woodlands West family.

Yours truly,

Mike Rhodes
General Partner
