

Coming Soon! Discover the perfect retreat nestled in the vibrant Uptown Houston Galleria area. This charming and extensively updated townhome boasts 2 bedrooms, 1 full, and 2 half baths, making it an excellent investment opportunity or an ideal starter property. With nearly every corner of this property remodeled within the past year, this residence showcases a wealth of upgrades that truly elevate its appeal.

Step inside to find a host of improvements that will captivate your senses. A brand-new HVAC system ensures optimal comfort throughout the home, while fresh paint and fixtures create a modern and stylish ambiance. Each bathroom has been thoughtfully renovated, offering a luxurious experience. Stunning floors seamlessly connect each space, enhancing the aesthetic appeal and easy maintenance. Multiple skylights illuminate the condo with abundant natural light, creating a warm and inviting atmosphere.

The well-designed layout of this townhome caters to the needs of families or roommates alike. Downstairs, an open-concept design seamlessly integrates the living, dining, and kitchen areas, fostering a sense of connectivity and spaciousness. Upstairs, two generously sized bedrooms await, each featuring a walk-in closet for ample storage. Convenience is paramount, as two covered parking spots allow for easy access directly into the utility room, making grocery trips a breeze.

For added convenience, a side-by-side refrigerator, as well as full-size washer and dryer are included, ensuring a seamless transition into your new home. Schedule an appointment today to view this exceptional property. Act swiftly - this gem won't stay on the market for long!
