

# We've asked the Sellers a couple of questions for why they love the home

---

10534 Chestnut Path Way, Tomball, Texas 77375

**What are some of your favorite features of your home? What do you love about your home?**

I love that it has a open floor plan and that all bedrooms are on one side of the home, and none of them touch the other.

**How would you describe the area and what it's like living in the community?**

Off the busy roads yet very close to 249 and 99. The community is very quiet and a nice place to live.

**What has been your favorite thing about living in this community?**

Seeing all the neighborhood kids outside playing

**What are your favorite places to eat, shop and visit in the neighborhood?**

Regal Cinemas and Main Event are minutes away, H-E-B is right around the corner and there are many restaurant choices within minutes as well.

**What else can you share with future buyers?**

Everyone in the neighborhood has always been very friendly. We have a Facebook group that helps the residents stay connected. I've truly enjoyed living here for the past 5 years and will miss this neighborhood.
