

Other features at 25611 Madison Falls Lane, Katy, Texas 77494

The living room, family room, patio and balcony are pre-wired for sound system.

The kitchenet off the game room with granite countertop offers lots of extra storage cabinet space. It features an ice maker, a separate small refrigerator, microwave, and sink. Ideal for entertaining family and friends in the game room.

There is a second office/desk area located on the upper floor of the game room as well. Ideal for kids' homework space.

The extra room on the upper floor can be used as a storage or study.

The spacious laundry room offers a lot of folding counter space and undermount sink for your convenience.

The outdoor covered patio offers you a lot of extra usable space for entertainment. It also features an outdoor kitchen set up with a grill.

This home also offers a formal foyer area to receive your visitors.

There is much more to see.
