

Welcome to 9507 Bundy Lane

Why We Love Our Home

Welcome to our home! We bought this house a little over two years ago, and we could only dream of all the sweet memories we would make here. Our spacious backyard has been the perfect venue for gatherings with friends, as well as a great place for our dog, Otto, to get some energy out! Our favorite memory made here was bringing home our son from the hospital five months ago. We've spent many hours since then swinging with him on the swing out front!

The longer we've lived here, the more we fall in love with this neighborhood. Everyone on our street is so friendly and welcoming.

Although the vacant house on one side is not ideal, you won't find better neighbors than the ones on the other side. They keep an eye on our house when we're out of town, lend us yard equipment, and have loved on our son with sweet gifts since he's been born. They have set the standard for the type of neighbors we want to strive to be!

On top of all that, this area has some of the best restaurants! We encourage you to stop by one of our favorites when you leave here: Cambrian Coffee, Tacos Dona Lena, or Bori.

We hope that 9507 Bundy Lane continues to be filled with great memories by the next owners.

Thank you for touring our home today!
