OUR OFFER

HOW CAN WE OFFER THIS?

By maintaining a 3-year service agreement with Regal Pools service division.

Allowing us to fully maintain and service your swimming pool weekly is always the best decision. Failure to maintain a service agreement with Regal Pools will result in forfeit of a 3-year warranty and would default to the standard 1-year warranty.

By offering these packages, we can ensure your Regal Pool is operating correctly during your weekly service. This, in turn, allows you to have the best service possible and enjoy your pool, worry free.

CUSTOMER TESTIMONIAL

See What Our Clients Say About Us!

We are very happy with the pool we recently had installed. Dustin was our project manager, and he was professional, polite, knowledgeable and responded very quickly to any questions or concerns we had. They told us our pool would be ready in 10-12 weeks and I do believe we came in under that timeline. We are very happy with the final results. For the design part we worked with Brett, and he also was very professional and did a great job helping us tie all our materials together. Thank you, Dustin, Brett and Regal Pools.
