

UTILITIES/SERVICES/RESTRICTIONS

NO RESTRICTIONS:

This land has no building restrictions, however, if you want to build a structure on the property you will need to file for a physical address and then file for a county engineering permit at the following:

Apply for Physical Address

Galveston County Clerk's Office

(409) 766-2200

<https://www.galvestoncountytexas.gov/our-county/county-clerk/county-clerk-86>

Apply for Building Permit

Galveston County Building Department

(409) 770-5552

<https://www.galvestoncountytexas.gov/business/building-permits>

If you are building a structure on the canal, you must get a permit from the Army Corps of Engineers at the following:

Army Corps of Engineers

(409) 766-3899

<https://www.usace.army.mil/>

WATER:

Bolivar Peninsula Specialty Utility Division (BPSUD)

(409) 684-3515

<https://www.bpsud.com/>

BPSUD provides water to the subject property location. Since there have been no previous services to this property, they would need to install a new line to supply water. You will need to submit a request and obtain Permits.

SEPTIC:

Lange's Septic Service

(409) 796-1972

www.langessepticsservice.com

Galveston County Health District

(409) 938-7221

<https://www.gchd.org/>

ELECTRICITY - ENTERGY:

Entergy

1-800-368-3749 or Local Number: (409) 762-8621

<https://www.entergy.com/>
