3. The flow of our home is effortless.
4. Size of the bedrooms, each of the bedrooms comfortably holds a king-sized bed and any additional furnishings.
5. The cul-de-sac in which it is located is special. You must experience it to understand.
6. The landscaping is immaculate, yet comfortable for living and entertaining.
7. Convenient to I-45, FM 249, US 290, and Grand Parkway.
8. Everything you need is around you, shopping, restaurants, and good schools.
9. Great neighbors.
10. Everybody on our cul-de-sac takes care of their homes inside and out. We all benefit from this care for our homes.
