WILLOW POINT MUNICIPAL UTILITY §
DISTRICT OF FORT BEND AND §
WALLER COUNTIES §

Pursuant to V.T.C.A., Texas Water Code, Section 49.452, et. seq., as amended, the Board of Directors of the above-named municipal utility district (the "District") now gives the following notice to all sellers and purchasers of real estate situated within the boundaries of said District and requests that you refer to its Notice to Sellers and Purchasers of Real Estate Situated in Willow Point Municipal Utility District of Fort Bend and Waller Counties, dated February 21, 2013, and recorded in Clerk's File Number 2013036379 of the Real Property Records of Fort Bend County, Texas and in Clerk's File Number 1302411 of the Real Property Records of Waller County, Texas.

The only modification and update to the Notice is in regard to Item 9, which now should read as follows:

9. The form of the Notice to Purchasers is as follows:

**NOTICE TO PURCHASER OF SPECIAL
TAXING OR ASSESSMENT DISTRICT**

The real property, described below, which you are about to purchase is located in Willow Point Municipal Utility District of Fort Bend and Waller Counties (the "District") and may be subject to District taxes or assessments. The District may, subject to voter approval, impose taxes and issue bonds. The District may impose an unlimited rate of tax in payment of such bonds. The current rate of the District property tax is \$1.32 on each \$100 of assessed valuation. The total amount of bonds payable wholly or partly from property taxes, excluding refunding bonds that are separately approved by the voters and excluding any bonds or any portions of bonds issued that are payable solely from revenues received or expected to be received under a contract with a governmental entity, approved by the voters are:

- (i) \$96,500,000 for water, sewer and drainage facilities;
- (ii) \$41,000,000 for road facilities; and
- (iii) \$7,000,000 for parks and recreational facilities.

The aggregate initial principal amounts of all such bonds issued are:

- (i) \$23,400,000 for water, sewer and drainage facilities;
- (ii) \$2,500,000 for road facilities; and

(iii) \$0.00 for parks and recreational facilities.

The District sought and obtained approval of the Texas Commission on Environmental Quality to adopt and impose a standby fee. The amount of the standby fee is \$0.00. An unpaid standby fee is a personal obligation of the person that owned the property at the time of imposition and is secured by a lien on the property. Any person may request a certificate from the District stating the amount, if any, of unpaid standby fees on a tract of property in the District.

The District is located wholly or partly in the extraterritorial jurisdiction of the City of Houston, Texas. Texas law governs the ability of a municipality to annex property in the municipality's extraterritorial jurisdiction and whether a district that is annexed by the municipality is dissolved. The District has entered into a strategic partnership agreement with the City of Houston. This agreement may address the timeframe, process, and procedures for the municipal annexation of the area of the District located in the municipality's extraterritorial jurisdiction.

The purpose of this District is to provide water, sewer, drainage, flood control, road and park and recreational facilities and services. The cost of District facilities is not included in the purchase price of your property.
