

Horse Boarding Information for Ravensway Stables in Cypress

Primarily for residents of Ravensway, the Stables at its discretion may allow non-residents to board. All boarders are required to care for their own horses, participate in periodic work days and everyday routine chores and maintenance.

All incoming boarders must adhere to the following before bringing their horse onto the property:

- Submit copy of current negative Coggins test
- Submit copy of current shot records. Must include VEWT, Flu/Rhino, Strangles, West Nile, Rabies
- Provide worming schedule
- Male horses must be gelded – No stallions

Once approved and your horse has arrived, it will be required to be stalled for a 48 hour observation period. After this time, your horse may begin a normal routine.
