What we love about our home:

- The open floor plan downstairs.
- Huge master bedroom.
- Cozy patio area
- Double vanities and large jetted bathtub
- Large walk-in custom closet in the master
- Custom closet systems in each bedrooms closet
- Big game room
- Gated community with 2 park-like areas inside the gate
- House is located right by the 610 loop so you can literally jump on the loop in a minute and get to any part of Houston quickly. The Galleria, Downtown, uptown or wherever
- We've loved being in the Heights community it's one of the best neighborhoods in Houston. As a young professional I've really enjoyed being near all the action/fun. You get the neighborhood feel in the city very near to all the best dining/parks/ sporting events/ and entertainment Houston has to offer.
- It's a nice 15 minute walk to 19th and 20th street where all the best bars in Houston are: McIntyres, Drift, Heights Social, Moonshiners, Cedar Creek, Bungalow Heights, Tokyo Joes, Wicklow Heights, Austins Backyard, etc.
