Located in the very desirable New Waverly ISD, this brand-new home is nestled on a spacious and picturesque tract spanning over 9 acres. The exterior of the house is constructed with durable, low-maintenance metal siding, giving it a sleek appearance. Upon entering the home, the open-concept design creates a seamless flow between the living, dining, and kitchen making it perfect for entertaining guests and spending quality time with family. The primary bedroom is particularly spacious and includes an ensuite bathroom and his and her walk-in closets. One notable feature of the property is the extra water well, which would be great for workshop or animal barn. Overall, this home offers comfortable living spaces with its well-appointed bedrooms and stylish bathrooms with convenience to the city.
