

Daybreak Solar™ Comprehensive Protection Plan

The most comprehensive protection plan in the solar industry

Daybreak Solar stands apart from others in the industry by:

- Offering our LIFETIME Labor Warranty with each installation
- Offering our LIFETIME servicing agreement with each installation
- Offering our LIFETIME warranty on NABCEP Certified Savings Package
- Offering our Multigenerational Performance Plan with each installation
- 30 Year high-efficient Solar Panel Manufacturer Warranty
- 25 Year SolarEdge Inverter warranty
- 25 Year Optimizer warranty
- Using experienced, NABCEP certified in-house solar installers

This Comprehensive Protection Plan supplements and extends any warranty contained in Daybreak Solar's installation contract. This Protection Plan will be voided by acts of abuse or improper maintenance. Your service with us is FREE, make sure you only contact us, so we can use our NABCEP certified techs for any servicing and maintenance needs. Daybreak Solar is not liable due to Force Majeure.

We honor our protection plan as we would honor our mothers.

- A **no fine print protection plan** with no nonsense.
- If something ever fails, **we FIX it.** Period.
- This Protection Plan is **completely transferable at no cost** and remains with the property address (because people move, properties don't)
