Kingsley Square	\$250.00

MUD MUNICIPAL UTILITY DISTRICT

Woodforest Is Within A Municipal Utility District (Mud).

Here are a few quick facts:

- MUD taxes replace city taxes
- Communities within a MUD typically have a higher level of amenities
- Efficient lot production keeps supply and demand volatility (prices) in check
- Taxes typically decrease as the community grows

For families searching for new homes in an amenity-rich community, considering a special utility district (such as a MUD) is the viable, if not, preferred option.
