

26915 Casper Cliff Ct

Improvements & Builder Upgrades

Built by David Weekley Homes – home features high ceilings, crown molding, extended owner’s retreat, second primary bedroom & primary bath, covered courtyard.

Extensive landscaping & custom flagstone walks. Added stone pathways, trees, underground drainage and roof downspouts.

NEW Roof 2023

Plantation shutters on most windows, custom shades on other windows, built-in buffet/china cabinet in dining room

Large kitchen, wood Kent Moore cabinets, granite countertops, stainless appliances, under-cabinet lighting, added new quiet Bosch dishwasher & GE double oven. Extended kitchen island/breakfast bar with under-counter seating.

Kitchen open to the family room with stacked stone, gas log fireplace with a heatilator.

Wood floors in living areas including study and carpet in bedrooms.

Extended owner’s retreat with wall of windows overlooking backyard landscaping, owner’s bath with upgraded walk-in glass shower

High ceilings, recessed lighting & an abundance of windows, open floorplan

Covered courtyard added between detached garage and front of home. Gated & covered entry to front door, 5’ side extension to garage.

Renovated front landscape beds, built flagstone area under Redbud tree, built flagstone area to accommodate hammock and added pottery urn-type fountain near covered courtyard.

Extensively landscaped front & back yards, full sprinkler system, culdesac lot
