

# WOODFOREST AMENITIES

112 CAROLINE CORNER COURT

Forest Island, an exciting 16-acre tennis and aquatics center in the heart of Woodforest, is a focal point of fun in the community, complete with six tennis courts (two of them also striped for pickleball also!), a basketball court and two pool complexes that rivals the finest Texas water parks.

The Palm, Woodforest's newest resident amenity, is now open! This clubhouse is a beautifully appointed space where residents can gather both inside and out, with an event center, courtyard with café seating and an event lawn.. HOA and Director of Fun offices are in The Palm, too.

You don't have to live in Woodforest to play, eat and shop at Woodforest Golf Club, but it sure is nice having one of Texas' most acclaimed courses right here in the community. The Woodforest Golf Club features a 27-hole championship course designed by PGA powerhouse Steve Elkington.

So many shops, restaurants & stores for you to enjoy at Pine Market. Here are a few: Harvest Market, Beerforest, Clean Juice, Grab N Go Tacos, Luv' coffee, PrimoHoagies, Sugar Sugar!, Wasabi Bistro, Wister's Bar & Grill, WO Sushi Fusion, Adventure Kids Play Care, Anytime Fitness, WolfGang Bakery & Grooming & so much more!
