

The **WCIA** hires a private contractor-OFS (Old Fashioned Service) to provide twice weekly garbage pick-up for Walden residents. **The SECOND day of your trash schedule is your HEAVY trash pick-up. See below for details.**

🗑️ Trash is picked up on Mondays and Thursdays or Tuesdays and Fridays. Containers should be placed on your driveway near your garage by 7:00AM on your designated collection day.

- **Pick up schedules for your section are as follows:**

MONDAYS AND THURSDAYS

Section 4, 6, 6A, 7, 8, 8A, 9, 10, 11, 12, 12A, 14, & 16

TUESDAYS AND FRIDAYS

Section 1, 2, 3, 3A, 5, 7A, 15, 17, 18, & 19

🗑️ Trash must be placed in plastic garbage bags inside garbage cans not exceeding **40 pounds** before 7:00 AM. Place the containers on your driveway near your garage, where they are visible from the street. Obviously, it takes time for the garbage truck to travel through the entire subdivision; however, an approximate timetable will become apparent within a few collection days.

🗑️ Please place your "heavy" items at the curb in bundles (tree branches, curtain rods, etc.) that are not more than four feet in length or 40 pounds in weight. Yard waste is not to exceed 5 large trash bags, no construction debris. **For exact items to be picked up please call 281-457-2705.**

🗑️ **LATEX PAINT ONLY**-if there is a small amount - take cover off and let harden, then it can be disposed of in your regular trash. For larger amounts of **LATEX** paint - mix some kitty litter with it and leave it to harden. Then dispose in your regular trash. **DO NOT** dispose of wet paint wet, as once it is at the landfill it may rain and contaminate water.

🗑️ Trash will be picked up every day except Thanksgiving Day and Christmas Day. If the holiday falls on your designated pick up day, your trash will be picked up on your next scheduled day.

🗑️ Christmas trees, etc., are collected on Thursdays or Fridays (your heavy trash day). Please take it to the curb.

TRASH ITEMS

🗑️ Items that will **not** be picked up include the following hazardous waste products:

- Motor oil
- Batteries
- Oil based paint
- Garden chemicals, etc.
- Non-disposable waste, such as tires or construction waste

🗑️ Garbage service is automatically initiated when you activate your water service. Your water bill will contain a monthly charge.

🗑️ **If your home is accidentally missed, please call OFS Solid Waste Services at 281-457-2705** or the Walden CIA office at (936) 582-1622 before 12:00 PM on the day of garbage pick-up. The driver stops by the CIA office on Tuesday and Friday afternoon to pick up the list of any houses they may have missed. If you do

TRASH PICK-UP SCHEDULE

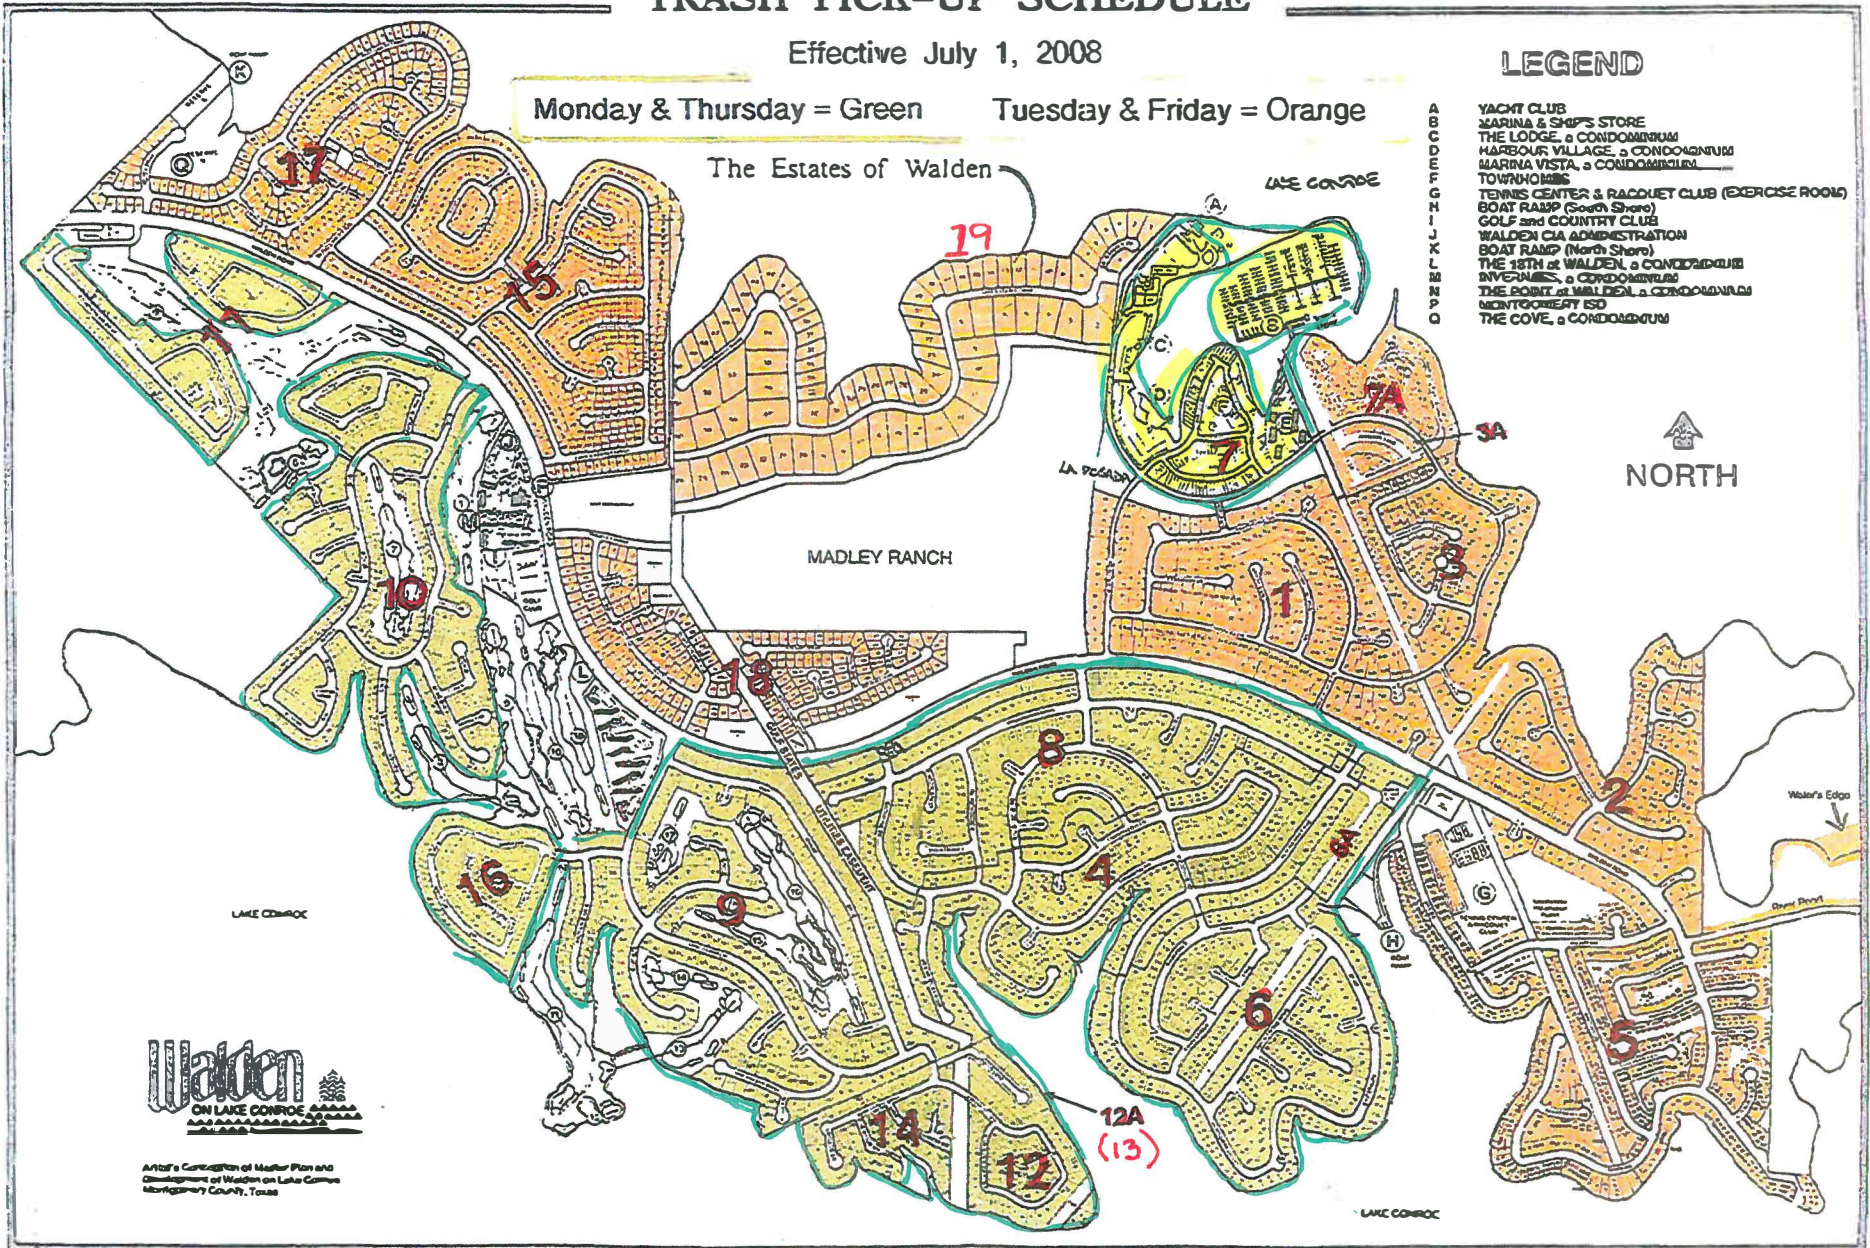

Effective July 1, 2008

Monday & Thursday = Green

Tuesday & Friday = Orange
