“The District is located in whole or in part in the extraterritorial jurisdiction of the City of Houston and the City of Conroe. By law, a district located in the extraterritorial jurisdiction of a municipality may be annexed without consent of the district or the voters of the district. When a utility district such as the District lies within the ETJ of two or more cities, any of such cities may annex that portion of the utility district lying within its ETJ without dissolving the utility district. At such time as each of the cities has annexed that portion of the utility district within its ETJ, the cities may, but are not required to, dissolve the utility district and distribute among them the assets and liabilities of the utility district.

“The purpose of this District is to provide water, sewer, drainage, or flood control facilities and services within the District through the issuance of bonds payable in whole or in part from property taxes. The cost of these utility facilities is not included in the purchase price of your property, and these utility facilities are owned or to be owned by the District. The legal description of the property which you are acquiring is as follows:
