

Found a home that needs work?

With one loan you can buy and remodel to make that house your dream home.

Our team is ready to guide you through understanding the benefits of a loan that includes built-in financing for renovations. We can help you understand how these mortgages work inside and out, so you can be confident the process will go smoothly from start to finish.

FHA 203(k) renovation loan details:

- Finance home repairs and remodels with an FHA 203(k) renovation loan
- Down payments as low as 3.5%
- Purchase or refinance options available

A wide variety of repairs are allowed:

- Bathroom or kitchen remodels
- Roofs
- Flooring
- Paint
- New appliances
- Plumbing/electrical repairs
- Lead-based paint or health hazard repairs
