**Voluntary Contribution Pledges**

Voluntary contributions comprise 30% of the operations budget and are essential to our success in preserving and maintaining the golf course/greenspace. Golf course/greenspace maintenance expenses are approximately \$100,000 per year. We ask that your contribution be based on the value you receive from this wonderful amenity which a) we all enjoy, and b) when maintained, contribute to the sustainability of community and property values. Your pledge below is very important and will assist us with our projections as we develop accurate annual maintenance budgets.

Please select your desired voluntary monthly contribution level:

	<b>Your benefit &amp; value received from the golf course &amp; greenspace</b>	<b>Suggested Contribution</b>
