

The Value Cáceres Owners Get for their HOA Fee

For people who desire to live close to downtown Houston, yet also have the peace of mind of living in a guarded-gated community, Cáceres is a great choice. CCA’s Regular Assessments provide residents with 8 acres of beautifully landscaped and maintained common areas along with “lock & leave” ability for those who travel or don’t want to deal with a lot of upkeep themselves.

The Annual Regular Assessments include: Painting the exterior of each home every 8 years as determined and scheduled by the CCA; preventative maintenance of roof systems, not replacement, every 8 years as determined and scheduled by the CCA to identify items to be addressed; annual exterior window washing; maintenance of the landscaping of common grounds; 24/7/365 patrol service; Rice Military Civic Association’s Precinct 1 Patrol Program; water; trash and recycling pickup.

The Annual Regular Assessments provide many benefits** that come with living in Cáceres, including the following:
