REQUIRED FLOODPLAIN DETERMINATION AND PERMITTING INFORMATION

On Wednesday, **November 20, 2013**, new flood maps for Leon County, Texas became effective.

Because Leon County participates in the National Flood Insurance Program, **all new construction, manufactured home placement and substantial improvements including but not limited to water supply systems and sanitary sewage systems, require a floodplain determination/development permit.** The landowner should contact the County Judge's office or their local City office to receive information on floodplain determination/permitting procedures, and to obtain an application. This is intended to inform the landowner of their responsibilities.

The proposed development/construction **may not begin until after written authorization has been issued from the County Judge or City office.**

To inquire as to whether or not a property is in the floodplain:

- Property located in Leon County unincorporated areas call (903)536-2331 or 903-536-3158 or www.co.leon.tx.us (permits)
- Property located in the City of Buffalo call (979)322-4741
- Property located in the City of Centerville call (903)536-2515
- Property located in the City of Jewett call (903)626-4416
- Property located in the City of Leona call (903)344-2981
- Property located in the City of Marquez call (903)593-3020
- Property located in the City of Normangee call (936)396-3691
- Property located in the City of Oakwood call (903)545-2131

For information on **flood insurance** contact the National Flood Insurance Program at (888)379-9531 or online at www.floodsmart.gov
