71.45 ACRES BLACK JACK ROAD
HUNTSVILLE, TEXAS

71.45 ACRES

Come and see one of Walker County's finest wooded tracts available on the market. Being just over 71 acres, this property is loaded with large, mature pine timber, with a generous mixture of hardwoods. This natural stand of timber makes for great deer habitat, and is slightly rolling with over fifty feet of elevation changes. It would make a perfect place for game hunting, or to build your dream home. Conveniently located with close proximity to New Waverly and I-45, this is a great opportunity to own a highly desirable tract of land and take advantage of truly fine, country living.
