

AMENDED AND RESTATED
RESTRICTIONS, RESERVATIONS, COVENANTS AND EASEMENTS
ON HAMMERSMITH, SECTIONS ONE AND TWO, SUBDIVISIONS IN
HOUSTON, HARRIS COUNTY, TEXAS

STATE OF TEXAS §
 § KNOW ALL MEN BY THESE PRESENTS:
COUNTY OF HARRIS §

RECITALS

WHEREAS, by instrument dated June 6, 1966, certain restrictions, reservations, covenants and easements were established affecting Hammersmith Section One (1), a subdivision in Harris County, Texas, the plat of which is recorded in the Map Records of Harris County, Texas at Volume 122, Page 63. The instrument establishing the restrictions, reservations, covenants and easements was recorded in the Official Public Records of Real Property, Harris County, Texas, at Clerk's File Number C338952 (the "Section One Restrictions");

WHEREAS, the Section One Restrictions were amended by virtue of that certain document entitled "Amendment to Restrictions, Reservations, Covenants and Easements on Hammersmith, Section One, A Subdivision in Houston, Harris County, Texas" filed in the Official Public Records of Real Property of Harris County, Texas under Clerk's File Number L457368 (the Section One Restrictions as amended hereafter still referred to as the "Section One Restrictions");

WHEREAS, the Section One Restrictions were amended by virtue of that certain document entitled "Amendment to Restrictions, Reservations, Covenants and Easements on Hammersmith, Section One, A Subdivision in Houston, Harris County, Texas" filed in the Official Public Records of Real Property of Harris County, Texas under Clerk's File Number P047577 (the Section One Restrictions as amended hereafter still referred to as the "Section One Restrictions");

WHEREAS, by instrument dated June 8, 1966, certain restrictions, reservations, covenants and easements were established affecting Hammersmith Section Two (2), a subdivision in Harris County, Texas, the plat of which is recorded in the Map Records of Harris County, Texas at Volume 122, Page 68. The instrument establishing the restrictions, reservations, covenants and easements was recorded in the Official Public Records of Real Property, Harris County, Texas, at Clerk's File Number C334966 (the "Section Two Restrictions");

WHEREAS, the Section Two Restrictions were amended by virtue of that certain document entitled "Amendment to Restrictions, Reservations, Covenants and Easements on Hammersmith, Section Two, A Subdivision in Houston, Harris County, Texas" filed in the Official Public Records of Real Property of Harris County, Texas under Clerk's File Number L457369 (the Section Two Restrictions as amended hereafter still referred to as the "Section Two Restrictions");

WHEREAS, the Section Two Restrictions were amended by virtue of that certain document entitled "Amendment to Restrictions, Reservations, Covenants and Easements on Hammersmith, Section Two, A Subdivision in Houston, Harris County, Texas" filed in the Official Public Records of Real Property of Harris County, Texas under Clerk's File Number P047578 (the Section Two Restrictions as amended hereafter still referred to as the "Section Two Restrictions");

RP-2021-403514

WHEREAS, paragraph "(s)" of both the Section One Restrictions and the Section Two Restrictions provides that the covenants, reservations, restrictions and easements therein contained can be amended from time to time by an instrument executed and acknowledged by a majority of the then owners of the building sites that is recorded in the Official Public Records or Real Property of Harris County, Texas, agreeing to change, amend or cancel said covenants, reservations, restrictions and easements, in whole or in part;

WHEREAS, the owners of at least a majority of the building sites in both Hammersmith, Section One and Hammersmith, Section Two, desire to consolidate, amend and restate the Section One Restrictions and the Section Two Restrictions into one document; and

WHEREAS, the owners of at least a majority of the building sites in both Hammersmith, Section One and Hammersmith, Section Two, by virtue of the ballots attached hereto as Exhibit A and incorporated fully by reference herein for all purposes do hereby approve this consolidation, amendment and restatement of the Section One Restrictions and the Section Two Restrictions into one document:

NOW, THEREFORE, the owners of a least a majority of the building sites in both Hammersmith, Section One and Hammersmith, Section Two do hereby consolidate, amend and restate the Section One Restrictions and Section Two Restrictions as set forth below to create and carry out a uniform plan for improvement, development and sale of all numbered lots or parts of numbered lots as depicted on the plat maps for Hammersmith, Sections One and Two, for the benefit of the present and future owners of said lots:

- a) Building site. The term "building site" as used herein means all or part of a numbered lot in Hammersmith, Section One (1) or Hammersmith, Section Two (2) (hereinafter both sections collectively referred to in this document as "Hammersmith"). A building site may be comprised of more than one such lot, or one or more such lots and a part of one or more other such lots.
- b) Townhouse residential purposes only. No building shall be erected, altered, placed, or permitted to remain on any building site, other than a single family residential building and garage or carport. Hammersmith shall be developed solely as a townhouse subdivision and all of the provisions of this instrument shall be construed so as to be consistent with that kind of development.
- c) Single-family residential use. Each building site and the improvements thereon may only be used for single family residential purposes. As used in these restrictions, "single family residential purposes" specifically prohibits, without limitation, any business use (whether for profit or not), commercial use (whether for profit or not), industrial use, apartment homes, duplex, multi-family dwellings, hospitals, clinics, transient housing, hotels, motels, tourist home or rooming house and such uses are expressly prohibited. This provision

does not preclude a building site from being leased or rented, however, Short Term Rentals are prohibited per paragraph "y" of these restrictions.

Notwithstanding any language to the contrary herein, a building site and the improvements thereon may be used for business related activity provided that the business activity is secondary to the primary use of the building site and the improvements thereon as a residence. Any use of a building site or the improvements thereon that requires the building site owner or the person in possession of the building site to pay the State of Texas hotel occupancy tax is a use of the building site for non-single family residential purposes and constitutes a business use of the building site in violation of this section.

- d) Architectural Control Committee. No improvements shall be erected, placed, or altered on any building site until the construction plans and specifications and a plot plan showing the location of the structure or improvements have been approved by the Architectural Control Committee, including approval as to quality of workmanship and materials required by the plans and specifications, harmony of external design with existing structures, and as to location with respect to topography and finished grade elevation. The approval or disapproval of the Committee shall be in writing. If the Committee fails to give written approval or disapproval within thirty (30) days after plans and specifications and a plot plan have been submitted to it, or, in any event, if no suit to enjoin the construction has been commenced prior to the completion of the improvements, it shall be conclusively presumed that the Committee has approved such plans specifications and plot plan. The Architectural Control Committee shall be appointed by the Board of Directors of the Hammersmith Community Improvement Association (hereinafter the "Association"). The Board of Directors of the Association may appoint and remove members of the Committee at any time, with or without cause. The members of the Committee shall not be entitled to any compensation for services performed hereunder.
- e) Minimum size of dwelling. Each dwelling shall contain not less than ONE THOUSAND EIGHT HUNDRED (1800) square feet of living area, unless the Architectural Control Committee in its discretion approves a dwelling plan containing less than 1800 square feet of living area.
- f) Building lines. All dwellings shall be located on the respective building sites, with the sides of each building being on the side property lines and the front of the building being on the front property line or set back a distance to be specified for the particular building site by the Architectural Control Committee. In no event shall a dwelling be set back more than

15 feet nor shall more than three adjacent buildings in a row have the same set back distance. It is the intention of this restriction to stagger the set back of the dwellings to promote the individuality of each dwelling. Without limiting the requirement for overall approval of plans and specifications, eaves, steps, and open porches that face a street shall be specifically approved by the Architectural Control Committee. Nothing in these restrictions shall prevent the construction of condominiums or condominium type construction, provided that such construction is approved in writing by the Architectural Control Committee before plans and specifications are submitted to the City of Houston for a building permit. Party walls and joint walls are not prohibited under these restrictions; however, all party walls or joint walls shall be covered by specific party wall or joint wall agreements executed by abutting building site owners. In the event individual walls are installed (as opposed to common, joint, or party walls), the joint between the two walls must be waterproofed to prevent any moisture from getting between the two buildings, and the responsibility for the installation of this cap or water proofing shall be the responsibility of the latest or the last unit built adjoining such wall. The maintenance of such cap or water proofing shall be the joint responsibility of the abutting site owners. All adjoining Type V Buildings of one hour construction or more, as classified in the City of Houston Building Code, shall have an adjoining 4" masonry wall matching the first wall installed and isolating the buildings with an 8" masonry separation extending 3'00" beyond the exterior wall and parallel to the property line.

- g) Living area of dwellings – patios. Not more than 75% of any building site may be covered by living area. For the purpose of this restriction, eaves, steps and open porches and garages or carports shall not be considered as part of the building. Each dwelling must contain an enclosed open area (patio or atrium) of not less than 150 square feet. Each dwelling shall consist of not less than two (2) levels of living area.
- h) Utility easements. Attached hereto as Exhibit B and made a part hereof for all purposes fully as though the same were copied herein verbatim are pages 1 and 2, with plat attached thereto, of that certain instrument by and between G.R. Jackson, Trustee (Developer) and Houston Lighting and Power Company (Company) and entitled "AGREEMENT FOR UNDERGROUND EXTENSION OF SINGLE PHASE 120/240 ELECTRIC SERVICE TO HAMMERSMITH, PORTIONS OF SECTIONS 1 AND 2". Attached hereto as Exhibit C and made a part hereof for all purposes as fully as though the same were copied herein verbatim is a copy of certain Easement instrument by and between G.R. Jackson, Trustee and Houston Lighting and Power Company. There is hereby dedicated and reserved

easements for the installation, repair, maintenance, and replacement of electric, telephone and gas utilities servicing Hammersmith as provided for in said Exhibits B and C attached hereto, insofar as said exhibits relate to Hammersmith.

- i) Nuisances prohibited. No noxious or offensive activity shall be permitted upon any building site or within the subdivision, nor shall anything be done thereon or therein which may be or becomes an annoyance or nuisance to the neighborhood.
- j) Temporary structures prohibited. No structures of a temporary character, including a trailer, basement, tent, shack, garage, barn, or other out-building, shall be used on any building site at any time as a residence, either temporarily or permanently.
- k) Signs. No sign of any kind shall be displayed to the public view on any building site, except such signs as have been approved by the Architectural Control Committee.
- l) No mining operation. No oil drilling, oil development operations, oil refining, quarrying, or mining operations of any kind shall be permitted upon, in or under any building site, nor shall any wells, tanks, tunnels, mineral excavations or shafts be permitted upon, in or under any building site. No derrick or other structures designed for use in boring for oil or natural gas shall be erected, maintained, or permitted upon any building site.
- m) Livestock and pets. No animals, livestock or poultry of any kind shall be raised, bred, or kept on any building site, except that dogs, cats or other household pets may be kept in reasonable numbers, provided that they are not kept or maintained for any commercial purposes.
- n) Garbage disposal. No building site shall be used or maintained as a dumping ground for rubbish. Trash, garbage, or other waste shall not be kept except in sanitary metal or masonry bins with self-closing tops which shall have been approved by the Architectural Control Committee. All incinerators or other equipment for the storage or disposal of such material shall be kept in a clean and sanitary condition. All garbage and trash shall be kept in the garage area and at least one cubic yard of garbage and trash storage of the type above specified shall be provided for each dwelling.
- o) Garages or carports. Each dwelling shall provide covered parking for at least two cars. All covered parking must open on and enter from a rear alley. No doors opening on the alley shall be constructed nearer than four (4) feet from the alley.
- p) No window air conditioners. No window or wall type air conditioner shall be permitted to be used, erected, placed, or maintained on or in any dwelling.

- q) Kitchen garbage disposals. The kitchen in each dwelling should be equipped with a garbage disposal unit, which garbage disposal unit shall at all times be kept in a serviceable condition.
- r) Landscaping. No landscaping shall be done on the front of any building site until the landscaping plans shall have first been approved by the Architectural Control Committee. The ten foot area between the curb and the front building site line shall be improved by each individual building site owner with a material and shrubs specifically approved by the Architectural Control Committee. It is the intention of this covenant to limit this ten foot parkway area to flagstone, cobblestone, brick, or exposed aggregate concrete or quarry tile walk, four (4) feet in width and two (2) feet from the front property line, each walk meeting the level of the adjoining walks and with a slope toward the curb. Each dwelling shall have a tree of the size and type specified by the Architectural Control Committee, to be installed by building site owner in the sidewalk area at the time the building is erected.
- s) Exterior of dwellings. The exterior wall material of all dwellings shall be of masonry or masonry veneer, or stucco, provided that carports are not required to be constructed of masonry or masonry veneer. The exterior of each dwelling, including lawns, walls, and shrubbery, shall at all times be kept and maintained in good condition. If, in the opinion of the Architectural Control Committee, the exterior of any dwelling is in need of repair or maintenance, the Architectural Control Committee shall notify the owner in writing of the need of such repair or maintenance, and if such repairs or maintenance are not accomplished within thirty (30) days of said notice, then the Architectural Control Committee may proceed to have such repairs or maintenance work done for the account of and payment by the owner, and the owner shall pay upon demand the Architectural Control Committee's cost, together with interest at the rate of 6% per annum until such payment is made, and reasonable attorney's fees if referred to an attorney for collection.
- t) Period of restrictions. These restrictions, reservations, covenants and easements shall run with the land and shall be binding on all parties and all persons for a period of twenty-five (25) years from the date this instrument is first recorded, after which time these restrictions, reservations, covenants, and easements shall be automatically extended for successive periods of ten (10) years each. These restrictions, reservations, covenants, and easements may be changed, amended, or cancelled at any time by a written instrument approving such change, amendment or cancellation that is signed by at least a majority of the then owners of the building sites in Hammersmith that has been recorded in the Official Public Records of Real Property of Harris County, Texas. With regard to

the approval of or consent to a change to, amendment to or cancellation of these restrictions by an owner(s): (i) each owner is entitled to one vote for each building site owned; (ii) when more than one person or entity holds an ownership interest in a building site, all such persons/entity(s) shall be members of the Association and the vote for such building site shall be exercised as they among themselves determine, but in no event shall more than one (1) vote be cast with respect to any building site; and (iii) the vote of one owner of a building site will be considered the vote of all owners of a building site.

- u) Enforcement. The Association has the right to enforce, by any proceeding at law or in equity, all restrictions, covenants, reservations, liens, and charges now or hereafter imposed by the provisions of these restrictions. All attorney fees, attorney expenses and other costs of enforcement incurred by the Association in enforcing the terms and provisions of these restrictions or the Association's Dedicatory Instruments [as that term is defined by Texas Property Code Section 209.002(4)] shall be secured by the Association's lien on the building site set out in paragraph "x" of these restrictions and all such fees, expenses and costs will be added to the violating building site owner's account and may be collected in the same manner as the Maintenance Charge is collected.
- v) Partial invalidity. Invalidation of any one or more of the provisions hereof by judgment or court order shall in no wise affect any of the other provisions which shall remain in full force and effect.
- w) Rights of mortgagees. Any violation of any of the restrictions, reservations, covenants, or easements contained or established herein shall not have the effect of impairing or affecting the rights of any mortgagee or trustee under any mortgage or deed of trust in effect against any building site or building site and improvements at the time of any such violation.
- x) Annual Maintenance Charge. Each building site in Hammersmith shall be subject to an annual Maintenance Charge for the purpose of creating a fund to be known as "Maintenance Fund," which said charge shall be payable by each building site owner to the Association in advance in quarterly installments each year. The Maintenance Charge for Hammersmith shall be determined and fixed each year in advance by a vote of the majority of the Board of Directors of the Association, subject to ratification by the vote of a majority of the property owners of Hammersmith voting at the next annual meeting of the Association. In the event the Maintenance Charge approved by the Board of Directors is not ratified by the vote of a majority of the property owners at such annual meeting, the Maintenance Charge for that year shall be the same as the Maintenance Charge for the

preceding year. To secure payment of such Maintenance Charge, a vendor's lien shall be retained against the building sites, premises, and improvements thereon in favor of the Association and its successors and assigns. The Maintenance Charge, together with interest, costs, collection costs, administrative costs, attorney fees, attorney expenses, fines, late fees, and any other charge authorized by these restrictions or state law, shall be a charge on the land and shall be secured by the Association's vendor's lien on the building site upon which each such Maintenance Charge and/or other charge is made. Each such Maintenance Charge, together with such interest, collection costs, administrative costs, attorney fees, attorney expenses, fines, late fees, and any other charge authorized by these restrictions or state law, shall also be the personal obligation of the building site owner at the time when the Maintenance Charge or other charge came due. The personal obligation for delinquent Maintenance Charge and other charges secured by the Association's lien shall not pass to a building site owner's successors in title unless expressly assumed by them. Such vendor's lien shall be subordinate and inferior to any valid deed of trust lien on any building site, premises and improvements thereon, but in the event of foreclosure of any such valid deed of trust lien such vendor's lien shall apply to secure the payment of Maintenance Charges accruing on such building site, premises and improvements thereon after such foreclosure, but the lien for any such maintenance charges accrued prior to such foreclosure shall be extinguished by such foreclosure. Such Maintenance Charge may be adjusted from year to year by the Association as the needs of the property or property owners may in its judgment require. The aforesaid owners of all the numbered lots in Hammersmith, and their respective heirs, administrators, successors, and assigns, agree to pay their proper proportion of said fund for the unsold land fully developed as saleable building sites owned by them, respectively, in said Hammersmith. The Association shall apply the total fund arising from such charge, so far as the same may be sufficient, toward the payment of expenses incurred for any or all of the following purposes: constructing and maintaining parks, swimming pools, parkways, rights of way, easements, esplanades, and other public areas, providing security protection, collecting and disposing of garbage, ashes, rubbish and the like; payment of legal and all other expenses incurred in connection with the enforcement of all recorded charges, covenants, restrictions and conditions affecting said property to which the Maintenance Charge applies; payment of all reasonable and necessary expenses in connection with the collection and administration of the Maintenance Charge; employing policemen and watchmen; caring for vacant lots; enforcing the action of the Architectural

RP-2021-403514

Control Committee; and doing any other thing necessary or desirable, in the opinion of the Association (acting through the Board of Directors), to keep the property neat and in good order, or which it considers of general benefit to the owners or occupants of the property, it being understood that the judgment of Association in the expenditure of said funds shall be final and conclusive as long as such judgment is exercised in good faith. Such Maintenance Charge shall in any event remain effective until December 31, 2012, and shall automatically be extended thereafter for successive periods of ten (10) years each, provided, however, that the owners of the majority of the building sites in Hammersmith subject to the Maintenance Charge may revoke the Maintenance Charge on either December 31, 2012, or at the end of any successive ten (10) year period thereafter, by executing and acknowledging an appropriate written agreement, or agreements, for such purpose and filing the same for record in the Office of the County Clerk of Harris County, Texas, at any time prior to December 31, 2012, or at any time prior to five (5) years preceding the expiration of any successive ten (10) year period thereafter. The Association's lien described in these restrictions is established by the filing of these restrictions, as amended.

- RP-2021-403514
- y) Short Term Rentals. Short Term Rentals are prohibited. A Short Term Rental is any type of lease, agreement, or arrangement which provides to a person or entity other than the building site owner the use of and the right to possess the building site or the improvements thereon for less than one hundred eighty (180) consecutive days. The term "lease" as used herein means any type of agreement or arrangement which provides to a person(s) or entity(s) other than the owner of the building site the use of and right to possess a building site and the/or the improvements thereon. A lease must provide to the lessee(s) the exclusive right to use and possess the entire building site and the entire single-family residential dwelling situated on the building site. A lease must be in writing. Leasing the building site does not relieve the building site owner from the obligation to comply with these restrictions and/or the Association's Dedicatory Instruments [as that term is defined by Texas Property Code Section 209.002(4)]. All lessees are subject to these restrictions and the Association's Dedicatory Instruments.
 - z) The foregoing reservations, restrictions, covenants, and easements shall run with each and all of the numbered lots or parts of numbered lots in Hammersmith, shall be binding upon the present owner or owners thereof and upon his or their respective heirs, successors, assigns, devisees, and legal representatives, and shall inure to the benefit of

and be enforceable by the Association or the owner(s) of any building site subject to these restrictions.

aa) The headings of the foregoing lettered paragraphs are employed herein for convenience only and shall not be controlling over content.

IN WITNESS WHEREOF, the President of Hammersmith Community Improvement Association hereby executes this Amended and Restated Restrictions, Reservations, Covenants and Easements on Hammersmith, Sections One and Two, Subdivisions in Houston, Harris County, Texas evidencing: (a) the Hammersmith Community Improvement Association's approval of these restrictions; and, (b) that the ballots attached hereto as Exhibit A and incorporated fully by reference herein represent the approval of the owners of at least a majority of the building sites in both Hammersmith, Section One and Hammersmith, Section Two. This document will be effective upon its filing of record in the Official Public Records of Real Property of Harris County, Texas.

AGREEMENT FOR UNDERGROUND EXTENSION
OF SINGLE PHASE 120/240 ELECTRIC SERVICE TO
HAMMERSMITH, PORTIONS OF SECTIONS 1 AND 2

Agreement made between G. R. Jackson-Trustee (hereinafter called "Developer") and Houston Lighting & Power Company, a Texas corporation (hereinafter called "Company").

WITNESSETH

Whereas the Developer has applied for electric service of the type designated by the Company as single phase, 120/240 volt, 3 wire, 60 cycle alternating current for lighting and power to 104 lots in Hammersmith Subdivision, as shown on Exhibit "A", attached hereto and made a part hereof, and being the area covered by this agreement which shall be hereinafter called Underground Residential Subdivision, Hammersmith.

Whereas Developer has specifically requested Company to place its distribution facilities for the aforesaid service underground and to make special pad mounted transformer installations so as to provide underground electric service to lots 1 thru 34, Block 2, Section 1 and Lots 1 thru 34, Block 5, Section 2 in said Underground Residential Subdivision, Hammersmith, and excepting lots 20 thru 37, Block 1, Section 1 and lots 20 thru 37, Block 6 Section 2.

Now, therefore, in consideration of the mutual covenants hereinafter set forth, the parties hereto agree as follows:

ARTICLE I

Installation of Facilities

A. Company will install, operate and maintain an underground electric distribution system, as shown on accompanying Exhibit "A", in Hammersmith. Such systems shall consist of single phase underground primary and secondary circuits, in easements provided therefor, pad mounted transformers, junction boxes, and such appurtenances as shall be necessary to make underground electric service available to lots 1 thru 34, Block 2, Section 1 and Lots 1 thru 34, Block 5, Section 2 in Hammersmith, and excepting lots 20 thru 37, Block 1, Section 1 and lots 20 thru 37, Block 6, Section 2, which shall be standard overhead facilities as shown on Exhibit "A". Company shall at all times have title to and complete control over the facilities described above.

B. Developer, by the execution of this contract, grants to Company an easement for the installation, maintenance and operation of its facilities on the thoroughfares and utility easements shown on Exhibit "A". Developer agrees to execute the customary additional instruments confirming the easements and rights-of-way hereby granted to Company. Developer agrees, at his expense, to have all easements and rights-of-way cleared of trees, stumps, and other obstructions which would interfere with Company's cable trench installations, and to develop all easements and rights-of-way to final grade before Company starts its installation.

190

EXHIBIT

tabbies
B

RP-2021-403514

056-33-0030

C. Temporary service for home construction within Underground Residential Subdivision; Hammersmitu, shall be available only to locations adjacent to existing energized pad mounted transformers or energized secondary voltage pedestals. The applicant for temporary service will install meter loops in accordance with Company's then current Standards and Specifications and Company to furnish cable and make connection at Company's pad mounted transformers or energized secondary voltage pedestals. Charges for temporary service under the conditions outlined above will be the same as in overhead service areas.

D. The owner of each lot, to be served by the underground electric distribution system, shall, at his own cost, provide in accordance with Company's then current Standards and Specifications those facilities necessary to take electric service from Company's underground facilities. The owner of each lot shall, at his own cost, provide approved type and size conduit from the meter base, which location is to be designated by Company, to the Company's underground facilities in the easement at a location to be designated by Company. The owners of lots 20 thru 37, Block 1, Section 1 and lots 20 thru 37, Block 6, Section 2 at their own cost shall provide an attachment, for overhead service drops, so as to allow a clearance of eighteen (18) feet across the public alleys.

E. It is understood and agreed that Company does not obligate itself to start construction of its facilities under terms of this contract prior to ninety days from date of this contract. However, the Company will endeavor to start construction at an earlier date and expedite completion of the work provided for in this contract.

ARTICLE II

Deed Restrictions

Developer agrees to include in the restrictions made applicable to all lots within the Subdivision provisions substantially as follows:

A. Underground electric service shall be available to lots 1 thru 34, Block 2, Section 1 and lots 1 thru 34, Block 5, Section 2 in the subdivision and excepting lots 20 thru 37, Block 1, Section 1 and lots 20 thru 37, Block 6, Section 2, and the utility company furnishing the service shall have a two (2) foot wide easement along and centered on the underground electric power service conductors installed from the utility company's easement to the designated point of service on the residence structure. For so long as such underground service is maintained, the electric service to each lot shall be uniform and exclusively of the type known as single phase, 120/240 volt, 3 wire, 60 cycle alternating current.

B. Easements for the underground service shall be kept clear of all buildings and other improvements, and neither grantor nor any utility company using the easements shall be liable for any damage done by either of them or their assigns, their agents, employees, or servants, to shrubbery, trees, flowers, or other improvements of the owner located on the land covered by said easements.

KNOW ALL MEN BY THESE PRESENTS:

THAT G. R. Jackson, Trustee

_____ of
Harris County, Texas, for and in consideration of One Dollar (\$1.00) to
in hand paid by Houston Lighting & Power Company, have and by these presents do grant unto Hous-
ton Lighting & Power Company, its successors and assigns, a right-of-way for distribution lines,
consisting of wires, poles and other necessary equipment across, under and over the following described
lands located in Harris County, Texas:
Hammersmith Sections one and two in the John D Taylor Survey, Abstract No 72 in
accordance with plats of said subdivision recorded in Volume 122, Page 65 and 68 of
the Harris County Map Records.

The easement herein granted is described as follows:

- A. An unobstructed easement of variable widths for underground conduits, conductors and devices and above ground transformer stations and Secondary Pedestals. The locations and widths of said easements being shown by cross-hatched areas on Sketch No AT-17707-B, prepared by Houston Lighting & Power Company, hereto attached and made a part hereof.
- B. Unobstructed easements 3 feet wide by 6 feet in length for transformer stations located adjoining some of the 4 feet wide easements granted in paragraph "A" above. The locations of said easements being shown by shaded areas on said attached sketch.

The easement herein granted is for the use and benefit of Electric, Telephone and Gas Utility Companies only.

It is specifically understood that Grantor herein reserves unto himself, his successors and assigns, the following rights and privileges:

- A. The right to build foundations for walls at the corners of the playground provided foundations for such walls are not more than twelve inches (12") wide and twelve inches (12") below finish grade.
- B. The right to have garages or carports overhang the easements at a height of not less than seven feet (7') from the surface of the ground and to extend over the easements to within two feet (2') of the adjacent alleys, provided that no carports or garages over hang the easement for transformer stations more than one foot (1'). No walls or foundations shall extend into easement except as granted by A above.
- C. The right, after installation of the utilities, to pave over the easements and the right of ingress and egress over the easements to and from the garages or carports.

together with the rights of ingress and egress to or from said right-of-way for the purpose of constructing, inspecting, repairing, maintaining, and removing said lines.
