

## Application Instructions & Checklist

Please **upload this form, signed, along with supporting documents when applying online.**

Note: We cannot process applications until **all** these documents are received.

In an effort to streamline the process and process the application quickly, **we will communicate primarily through email.** Phone calls to the office will only slow down the application process so please communicate through email for faster response.

1. First, we will send you an email confirming receipt of online applications outlining any items missed. Please send all requirements by responding to that email.
2. Then, we will perform our screening and complete the rental and employment verifications.
3. Once we have all of the reports back, and have been able to complete the verification, the entire package will be submitted to the landlord for final review and decision. We will notify you of the decision right away via email.

We process applications Monday-Friday 9am-5pm. We require **2-3 business** days to complete verifications and issue an approval/denial decision.

The clock does not start until the listing agent **receives complete packet** and **all requested documents** from the applicants.

**Note for Agents: Please review the Rental Criteria below with your client BEFORE applying. If they cannot comply with items needed, or meet the stated criteria - they will not qualify and should not apply. Once the application process has begun, application fees are non-refundable.**
