#### SECTION 4.01 Organization, Compensation

(a) the location upon the Lot or within the Subdivision where the Regulated Modification will occur or be placed,

(b) the dimensions, nature, kind, shape, height, and color scheme of and all materials to be used in connection with the Regulated Modification,

(c) appropriate information concerning structural, mechanical, electrical, plumbing, grading, paving, decking and landscaping details,

(d) intended uses, and

(e) such other information, plans or specifications as may from time to time be required by applicable Architectural Guidelines, or in specific instances as may be requested or

required by the ACC, which in the sole opinion of the ACC is reasonably necessary to fairly and fully evaluate all aspects of the proposed Regulated Modification

4 02 2 Architectural Guidelines The ACC may, from time to time, adopt, modify and delete such reasonable Architectural Guidelines applicable to the Subdivision, including Lots and Community Properties, as it deems appropriate to maintain or reasonably enhance Prevailing Community Standards of the Subdivision at the time of adoption. Such authority includes, but is not limited to, the right to specify

(a) specific procedural guidelines for submission of requests for, and plans, specifications and other information necessary to obtain, ACC approval, and procedural requirements for the conducting of all activities necessary to accomplish same,

(b) the amount and manner of payment of any fees or charges reasonably anticipated to cover administrative costs, fees for architectural, engineering, construction, legal or other expert advice or consultation, and all other costs and expenses in connection with review and evaluation of an application (such costs and expenses herein referred to as the "Architectural Review Fee"),

The ACC shall provide applicable Architectural Guidelines to Owners upon request. Architectural Guidelines may also be (but are not required to be) filed in the Official Public Records of Real Property of Harris County, Texas.

(b) Architectural Guidelines shall be of equal dignity with, and shall be enforceable in the same manner as, the provisions of this Declaration, provided: (a) such Architectural Guidelines shall not be deemed a waiver, modification, or repeal of any of the provisions of this Declaration, and (b) such Architectural Guidelines shall not be enacted retroactively except that all repairs, modifications or maintenance performed subsequent to adoption shall be performed in such manner as to bring the Regulated Modification, so far as practicable, in compliance with all then applicable Architectural Guidelines.

4 02 4 Variances The Board, by vote of two-thirds (2/3rds) of all members of the Board, may grant specific variances to Architectural Guidelines and to the architectural and use restrictions set forth in **Articles VII and VIII** of this Declaration as herein provided. A variance may be granted only with respect to specific instances upon written request therefor, is not binding with respect to any other request for a variance whether or not similar in nature, and does not constitute a waiver, modification or repeal of any of the provisions of this Declaration or other Governing Documents except for the limited purpose of and to the extent of the specific variance expressly granted. A variance may be granted only upon specific findings (a) that the variance is necessary due to unusual circumstances which are reasonably beyond the control of the applicant to mitigate or rectify, or in other circumstances, such as due to topography, natural obstructions, as to which the ACC determines a variance will result in a material enhancement to the applicant's Lot and to neighboring Lots and the Subdivision, and (b) that the granting of a specific variance will not materially and adversely affect the architectural, aesthetic or environmental integrity of the Subdivision or the scheme of development therein. The good faith determination of the ACC that the conditions for granting of a variance have or have not been met are final.

SECTION 4 03 Architectural Review Criteria The ACC will evaluate all submitted applications for ACC approval on the individual merits of the particular application, and based on evaluation of the compatibility of the proposed Regulated Modification with Prevailing Community Standards as of the date of submission of an application. The ACC must also use reasonable efforts to achieve consistency in the approval or disapproval of specific types of Regulated Modifications. To this end, consideration will be given to (but the ACC is not bound by) similar applications for architectural approval and the decisions and actions of the ACC with regard thereto.

SECTION 4 04 Submission and Response, Failure of ACC to Act, ACC Decisions

4 04 1 Submission and Response Applications for ACC approval and requests for variances are deemed submitted to the ACC only upon actual receipt. Lessees shall file applications or requests for variance in the name of their lessors, and shall also join therein. Where more than one Owner applies for approval or a variance, the delivery or mailing of a response to any one of the Owners as aforesaid constitutes notice to all such Owners. All responses of the ACC are deemed given when delivered to the applicant or when deposited in the United States mail, with postage pre-paid and properly addressed to the applicant. If the ACC fails to respond to an application for approval within thirty days after receipt of a proper application, then no further compliance with this

Article is required regarding the applicable application. If the ACC fails to respond to a request for variance within thirty days after receipt of the request, then the request is automatically denied.

4.04.2 ACC Decisions The ACC may fully approve any request for approval made pursuant to this Article IV, or the ACC may approve any such request subject to compliance with conditions stated in a conditional approval. A conditional approval is effective only upon full compliance with the stated condition(s). The ACC may disapprove any request for approval for any of the following reasons: (i) failure to comply with any applicable Architectural Review Criteria as set forth in Section 4.03, (ii) lack of sufficient information, plans or specifications as reasonably determined by the ACC to enable the ACC to fairly and fully evaluate the proposed Regulated Modification or the uses thereof, or (iii) failure to include any information, plans or specifications required by applicable Governing Documents, or as may be reasonably requested by the ACC. The ACC shall notify the applicant of its decisions in writing. Except for compliance with this Article, no action or omission of the ACC shall otherwise constitute a waiver as to any other provisions of this Declaration or preclude by estoppel or otherwise full enforcement thereof.

The foregoing sixty-day period will be extended in the event of and only for the duration of delays due to strikes, war, acts of God or other good cause beyond the reasonable control of the Owner as determined in the sole opinion of the ACC. Section 8.04.2 and not this Section 4.05.2 applies to initial construction of a single family residence upon a Lot.

4.05.3 Equipment and Materials No equipment, materials or other things or devices necessary to completion of a Regulated Modification may be placed or stored upon a Lot or within the Subdivision any longer than necessary prior to, and in no event more than ten days prior to, commencement of the work on the Regulated Modification. All such equipment, materials, things and devices must be placed within the property lines of the affected Lot, and so far as practical must be stored in locations not visible from any street, or from any other Lot or the Community Properties. Section 8.04.4 regarding storage of materials and not this Section 4.05.3 applies to initial construction of a residence upon a Lot.

4 05 4 New Construction Materials Required Only new construction materials may be used in construction of any Regular Modification except as otherwise approved by the ACC (such as the use of used brick)

4 05 6 Compliance With Plans All work on a Regulated Modification must proceed in strict compliance with the application and plans and specifications approved by the ACC, all conditions stated by the ACC, if any, and all applicable Governing Documents and governmental rules, regulations and ordinances

4 05 7 Permit Requirements Applicants shall be solely responsible for full compliance with all permitting requirements of the City and all other governmental agencies having jurisdiction, and shall apply for and diligently pursue obtaining of all required permits promptly after ACC approval or conditional approval is received. The ACC is expressly authorized to deny approval pending, or condition approval upon, prior compliance with applicable permitting requirements or upon receipt of certification satisfactory to the ACC that no such permitting requirements exist

4 05 8 Compliance With Laws and Governing Documents Each applicant is solely responsible for insuring that every Regulated Modification, as proposed and as completed, is in compliance with applicable governmental laws, ordinances and regulations (including building codes, and permit and licensing requirements), and with applicable requirements of the Governing Documents

SECTION 4 06 Inspection Rights Upon reasonable notice (oral or written), any member of the ACC or the Board of Directors or their designated representatives may enter upon a Lot without liability for trespass or otherwise for purposes of confirming compliance with any applicable provisions of the Governing Documents regarding a proposed Regulated Modification, the work in progress, and the completed Regulated Modification. Except for gross negligence, willful misconduct or knowing violation of the law, the Owner of any Lot so inspected by the ACC is not liable for any personal injuries, death or property damage of or to any person or entity performing such inspection

SECTION 4 07 Records of Architectural Control Committee The ACC is not required to maintain records of any of its meetings. The ACC must keep and maintain records evidencing the final decision(s) of the ACC regarding all requests for approval and requests for variance for not less than four years. The ACC must also maintain a record of all current Architectural Guidelines, and must provide copies to Owners upon written request and at the Owner's expense

The provisions hereof are cumulative of the provisions of Section 3.06.

The judgement of the Board in establishing any assessments and in the collection, management and expenditure of the Maintenance Fund is final and conclusive.

Except as provided in Sections 5.01.5 and 5.07.3, each Owner's transferee, whether by purchase, gift, devise or otherwise, and whether voluntary or by operation of law, is also jointly and severally liable for payment of all unpaid assessments owed to the Association at the time of transfer without prejudice to the rights of the transferee to recover from the transferor the amounts paid by said transferee.

5 01 5 Statement of Assessments Any transferee (or prospective transferee upon presentment of an executed earnest money contract or other writing satisfactory to the Board) shall be entitled to a statement from the Association setting forth all assessments due as of the date of the written request. The request must be in writing, must be addressed to the Association and must be delivered by registered or certified mail, return receipt requested, or by personal delivery with receipt acknowledged in writing. The Board may set a reasonable charge for providing a statement of indebtedness, the payment of which is a condition precedent to the Association's obligation to provide same. Except for fraud or misrepresentation, if the Association fails to respond to a proper written request for a statement of indebtedness within ten business days after receipt of the request by the Association, and upon submission of a properly executed registered or certified mail return receipt or delivery receipt evidencing receipt of the request by the Association, upon transfer the transferee is not liable for, nor shall the Lot transferred be subject to a lien for, any unpaid assessments against the Lot accruing prior to the date of the written request.

The "Construction Period Rate" is one-half of the full rate of regular and/or special assessment rate otherwise applicable. Upon termination of the Construction Period, the Owner/Builder shall thereafter pay the full rate of assessments. If assessments have been paid in advance upon termination of the Construction Period, the Owner/Builder shall also then pay any additional assessments due by reason of application of the full rate of assessments prorated from the first day of the month following termination of the Construction Period. Once commenced the Construction Period continues to run to termination as aforesaid irrespective of any intervening conveyance to another Builder, but will terminate in the event of reacquisition by Declarant in which

case the then applicable Declarant rate again applies and Declarant may restart the Construction Period by reconveyance thereafter to a Builder

5 02 4 Application of Payments All payments made by or on behalf of an Owner for assessments (regular, special or specific) are deemed made upon the date of receipt of the payment by the Association or its designated representative All payments received, including payments received in consequence of judicial or non-judicial foreclosure, will be applied (i) first to payment of all specific assessments owed to the Association with application to be made in inverse order of the specific assessments listed in Section 5 06 1, (ii) then to payment of all special assessments, and (iii) finally to payment of all regular assessments Application within each category shall be on a first in, first out basis

5 03 2 Subsequent Computation of Regular Assessments The annual rate of regular assessment per Lot as specified by Section 5.03.1 may be adjusted from time to time as follows

(a) The Board shall adopt a budget at least annually to determine sums necessary and adequate to provide for the expenses of the Association for the succeeding twelve month period (including funding of capital, contingency and other reserves) The Board shall set the annual rate of regular assessments based on the budget, and determine whether same will be payable annually, semi-annually, quarterly or monthly At least thirty days written notice of such determinations must be given to Owners of all Lots if any change is made as to the due dates or amount of the annual rate of regular assessment THE FOREGOING NOTICE REQUIREMENT DOES NOT APPLY DURING ALL PERIODS OF TIME DURING WHICH A DELINQUENT ASSESSMENT ACCOUNT HAS BEEN TURNED OVER TO AN ATTORNEY FOR PROCEEDINGS TO COLLECT SAME

(b) Any change in the amount of the annual rate of regular assessment may be disapproved at a special meeting of the Members to be called upon the written and signed petition of the Owners of not less than one-third of the Lots then contained in the Subdivision and the vote to disapprove of the Owners of at least two-thirds of the Lots then contained in the Subdivision voting in person or by proxy at the special meeting The petition to disapprove must be submitted to the Association not later than the thirtieth day after the date of the notice to Owners given as required

(c) A petition to disapprove fails if either the Owners of two-thirds of the Lots then contained in the Subdivision do not approve the petition or a quorum is not obtained at the applicable special meeting in person or by proxy. If a petition to disapprove is approved, the amount of the annual rate of regular assessment in effect immediately prior to giving of the notice required by Section 5.03 2(a) will continue in effect, and in such event the notice of results of the special meeting must advise as to any refund or charge, in accordance with the change in the amount of the annual rate of regular assessment disapproved by Owners. Any such refund or charge is due and payable, without interest, not later than the thirtieth day after the date of the notice setting forth same.

SECTION 5.04 No Waiver or Release Notwithstanding anything to the contrary herein, the omission or failure for any reason of the Board to determine an annual rate of regular assessment or to mail or deliver a notice of an annual rate of regular assessment or due date for payment thereof does not constitute a waiver, modification or release of an Owner's obligation to pay assessments as otherwise herein provided.

SECTION 5.05 Special Assessments In addition to the other assessments authorized herein, including other special assessments authorized by the Declaration, the Board may levy special assessments at any time during each fiscal year for purposes of defraying, in whole or in part, any expenses not anticipated by the budget then in effect, or to replace part or all of any contingency, capital or other reserve fund. SO LONG AS THE TOTAL AMOUNT OF SPECIAL ASSESSMENTS IN ANY ONE FISCAL YEAR ALLOCABLE TO EACH LOT DOES NOT EXCEED SIXTY PERCENT (60%) OF THE AMOUNT OF THE REGULAR ANNUAL ASSESSMENT THEN IN EFFECT, THE BOARD MAY IMPOSE THE SPECIAL ASSESSMENT WITHOUT VOTE OR APPROVAL OF ANY OWNER, PROVIDED, AT LEAST SIXTY DAYS WRITTEN NOTICE MUST BE GIVEN TO THE OWNERS OF ALL LOTS OF ANY SUCH SPECIAL ASSESSMENT, AND THE OWNERS MAY DISAPPROVE SAME IN THE MANNER PROVIDED IN SECTION 5.03 2 FOR DISAPPROVAL OF A CHANGE IN THE ANNUAL RATE OF REGULAR ASSESSMENT. The approval may be obtained in any manner as provided in Section 12.02 3 for approval of an amendment of this Declaration. Special assessments are payable as determined by the Board, and the Board may permit special assessments to be paid in installments extending beyond the fiscal year in which the special assessment is imposed.

The "period of foreclosure" commences on the date of posting for foreclosure in the event of non-judicial foreclosure, or on the date of entry of judgment granting foreclosure in the event of judicial foreclosure. The "period of foreclosure" continues through the first day of the month following the date of acquisition of actual possession by the purchaser at the foreclosure sale.

SECTION 5 07 Lien for Assessments

5 07 1 Establishment of Lien All sums assessed against any Lot pursuant to this Declaration, whether by regular, special or specific assessment as provided herein, are secured by a continuing lien on such Lot in favor of the Association

5 07 2 Perfection of Lien The recordation of this Declaration constitutes record notice and perfection of the Association's continuing lien, effective from the date of recordation of this Declaration No further recordation of a claim of lien or other notice of any type or kind whatsoever is required to establish or perfect such lien To further evidence such lien, the Association may, but is not required to, prepare and file in the Official Public Records of Real Property of Harris County, Texas, written notice of default in payment of assessments in such form as the Board may direct

5 07 3 Priority of Lien The Association's continuing lien is superior to all other liens or encumbrances on each Lot except

(a) a lien for real property taxes and other governmental assessments or charges on a Lot (a "Tax Lien") to the extent so required by law but not otherwise (it being the intent hereof that the Association's continuing lien is superior to any Tax Lien if permitted by law, including Section 32 05 of the Texas Tax Code),

(b) a lien securing payment of purchase money for a Lot or work and materials used in constructing improvements on a Lot (a "First Lien"), (i) as to and only as to assessments (regular, special or specific) the obligation for payment of which accrues from or after the applicable First Lien is duly recorded in the Official Public Records of Real Property of Harris County, Texas, and (ii) as to and only to the extent of unpaid sums secured by such First Lien,

(c) an extension of credit (commonly known as a home equity loan) made in accordance with and pursuant to Section 50(a)(6), Article XVI, of the Texas Constitution, as amended,

(d) a reverse mortgage made in accordance with and pursuant to Section 50(a)(7), Article XVI, of the Texas Constitution, as amended, and

(e) such other mortgages, deeds of trust, liens or other encumbrances to which the Board may from time to time by written agreement specifically and expressly agree, subject to such terms and conditions as set forth in the applicable written agreement

5 07 4 Other Liens Except as provided in **Section 5.07 3** or as otherwise expressly provided herein, all other Persons acquiring liens or encumbrances on any Lot are deemed to consent that such liens or encumbrances are inferior to the Association's lien for assessments, as provided herein, whether or not consent is specifically set forth in, and notwithstanding any contrary provisions in, any instruments creating such liens or encumbrances

#### SECTION 5 08 Effect of Nonpayment of Assessments

5 08 1 Delinquency Date Any assessments, regular, special or specific, which are not paid by the due date are delinquent as of midnight of the due date

5 08 2 Automatic Remedies Except to the extent otherwise expressly agreed in writing by the Board, if any assessments are not paid by the due date, then

(a) late charges, interest from the due date, and all compliance costs (including reasonable attorney's fees), all as set forth in **Section 5.06**, shall be added to and included in the amount of such assessment, and

(b) all voting rights of the Owner and all rights to use of all recreational facilities by the Owner, their tenants and their respective Related Parties will be automatically suspended until all assessments (including all specific assessments) are paid in full

5 08 3 Elective Remedies After Notice If any assessments are not paid within thirty days after the due date, then the Association may elect to exercise any or all of the following remedies without prejudice to any other rights or remedies, provided that notice and opportunity to be heard is first given

(a) Acceleration of Assessments The Association may accelerate, through the end of the year in which notice of default is given and for an additional twelve month period

thereafter, all regular assessments, and any installments for special or specific assessments due or to become due during said period

(b) Suspension of Services In addition to automatic suspension of rights to use of recreational facilities as above provided, the Association may suspend until all assessments (including utility specific assessments and accelerated assessments, if any) are paid in full all other rights of the delinquent Owner, the Owner's tenants, and the Related Parties of either, to the usage of any and all other Community Properties and/or Subdivision Facilities

(c) Impoundment of Rents The Association may impound all rental income of the defaulting Owner as to the Lot as to which assessments are delinquent. In the event of impoundment of rents, the affected Owner's tenant must pay all rentals coming due after notice is given of the impoundment to the tenant until otherwise notified in writing by the Association. In the event of impoundment of rents the Association will continue to collect the rents and apply same to payment of assessments until all delinquent assessments (regular, utility, special or specific, and including accelerated assessments, if any) are paid in full. After the Association is paid in full it will notify the affected Owner and their tenant of such payment in full and at such time remit any surplus in collected rents to the affected Owner, without interest

#### 5 08 4 Action for Debt, Foreclosure

(a) Each Owner, by acquisition of any Lot within the Subdivision or any right, title or interest therein, expressly grants to and vests in the Association (i) the right and power to bring all actions against each Owner, personally for the collection of all delinquent assessments as a debt, (ii) the right and power to foreclose the Association's continuing lien for assessments by all methods available for the enforcement of a mortgage, deed of trust or any other contractual lien, including foreclosure by an action brought in the name of the Association either judicially or non-judicially by power of sale, and (iii) a continuing power of sale in connection with the non-judicial foreclosure of the Association's continuing lien for assessments as herein provided

(b) By written resolution, the Board may appoint, from time to time, an officer, agent, trustee, or attorney of the Association (the "Trustee") to exercise the power of sale on behalf of the Association, including without limitation to deliver and file the notices required by Section 51.002 of the Texas Property Code (as amended), to conduct the sale and to otherwise comply with said statute. By written resolution the Board may from time to time, remove any such Trustee and appoint a successor or substitute Trustee without further formality than an appointment and designation in writing. Except as otherwise provided by this Declaration, the Association will exercise its power of sale pursuant to Section 51.002 of the Texas Property Code (as amended). The Association has the right and power to bid on any Lot at any foreclosure sale, and to acquire, hold, lease, mortgage, or convey the same

(c) The filing of suit to collect any sums due hereunder or to foreclose the Association's continuing lien for assessments may never be considered an election so as to preclude exercise of any other rights or remedies, including without limitation foreclosure under power of sale before or after a final judgment. After foreclosure, the former Owner(s) will be mere tenants at sufferance of the purchaser(s), and the purchaser(s) may obtain immediate possession either pursuant

to a judgment for foreclosure or by forcible detainer or eviction to be maintainable by the purchaser(s)

(d) Each owner, by acquisition of any Lot within the Subdivision or right, title or interest therein, specifically covenants and stipulates as to each and every Trustee's foreclosure sale that the recitals in any appointment or designation of Trustee, any conveyance by the Trustee and any affidavit of the Trustee or the Association related thereto shall be full proof and evidence of the matters therein stated, all prerequisites of the foreclosure sale shall be presumed to have been performed, and the foreclosure sale made under the powers herein granted shall be a perpetual bar against the Owner(s) of the Lot(s) sold and their heirs, executors and administrators, successors and assigns, and any Persons whatsoever claiming or to claim thereunder

5 08 5 Extinguishment of Inferior Liens Foreclosure of the Association's continuing lien for assessments terminates, extinguishes and forever discharges all inferior or subordinate liens and encumbrances (being all liens and encumbrances except as provided by Section 5.07 3) as to the affected Lot The foregoing applies to judicial and non-judicial foreclosure of the Association's continuing lien for assessments regardless of whether or not the holder of the inferior or subordinate lien or encumbrance is made a party to or given notice of any proceedings in connection therewith, including without limitation whether or not made a party to or given notice of any judicial foreclosure suit and any other proceedings in connection therewith

#### SECTION 5 09 Foreclosure, Bankruptcy

5 09 1 Effect of Foreclosure or Bankruptcy The effect of judicial or non-judicial foreclosure of a lien which is superior to the Association's continuing assessment lien under this Declaration, or acceptance of a deed in lieu thereof, and the effect of the discharge of an Owner in bankruptcy is determined as of the first day of the month following the date of foreclosure, the date of signing of a deed in lieu which is accepted by the grantee or the date of filing of the bankruptcy in which the Owner is discharged, as the case may be (the "Discharge Date") Foreclosure or acceptance of a deed in lieu as aforesaid does not relieve the former Owner from the personal obligation for payment of assessments due as of the Discharge Date, but does release the Association's continuing assessment lien as to and only as to assessments due prior to the Discharge Date The purchaser at foreclosure or grantee under a deed in lieu and an Owner discharged in bankruptcy is also relieved from any obligation for payment of assessments due prior to the discharge Date, but is obligated to pay all assessments assessed or assessable from and after the Discharge Date and the Association's continuing assessment lien fully secures payment of said assessments For purposes of the foregoing "assessments assessed or assessable" means (i) prorated regular annual assessments based on the number of months remaining in the calendar year in which the Discharge Date occurs regardless of whether the applicable regular annual assessment is payable in advance annually, semi-annually or quarterly, and (ii) any installments for special or specific assessments so payable which become due after the Discharge Date

5 09 2 Revival of Assessment Lien, No Merger The Association's assessment lien is automatically revived as to any Owner who reacquires ownership of a Lot within two years after the Discharge Date (as defined in the immediately preceding Section) to the same effect as if none of the events causing the Discharge Date to occur had occurred The Association's assessment lien

is not, by merger or otherwise, extinguished or otherwise effected by acquisition of ownership of a Lot at any time and in any manner by the Association except as otherwise expressly agreed in writing by the Association

SECTION 5 10 Assessments as Independent Covenant The obligation to pay assessments is a separate and independent covenant and contractual obligation on the part of each Owner. No off-set, credit, waiver, diminution or abatement may be claimed by any Owner to avoid or diminish the obligation for payment of assessments for any reason, including, by way of illustration but not limitation (i) by nonuse of any Community Properties or abandonment of a Lot, (ii) by reason of any alleged actions or failure to act by the Association, or its officers, Directors, agents or employees, whether or not required under this Declaration or other Governing Documents, (iii) for inconvenience or discomfort arising from the making of repairs or improvements which are the responsibility of the Association, or (iv) by reason of any action taken by the Association, or its officers, Directors, agents or employees to comply with any law, ordinance, or any order or directive of any governmental authority, or pursuant to any judgment or order of a court of competent jurisdiction

6.08.1 Irrevocable Agreement Each Townhouse will share a wall or walls common to the adjacent Townhouse or Townhouses which separates each Townhouse (the "Common Wall"). Each Owner, by acceptance of an executory contract for conveyance, deed or other conveyance to a Lot, hereby irrevocably agrees each of the provisions of this Section shall govern the use, maintenance, repair, replacement and extension of any and all Common Walls.

6.08.2 Common Usage Each Owner acknowledges and agrees that the adjoining Townhouse Owner has full right to use the Common Wall for the insertion of beams or otherwise for support and enclosure, provided, however, that such use may not injure the adjoining Townhouse or impair the Common Wall benefits of support and enclosure to which the adjoining Townhouse is entitled, and further provided that prior written notice of such use is given to the Owner by the adjoining Owner as provided in Section 9.04.2. To facilitate such use and for the purpose of erecting, extending, repairing or replacing the Common Wall as may be herein provided, each Owner is licensed by the adjoining Owner to enter upon the adjoining Owner's premises to make necessary excavations or to do all other work necessary to exercise the rights provided in the other provisions of this Article.

6.08.3 Extensions Both the Owner and the adjoining Owner have the right to extend the Common Wall either horizontally or vertically, or both, and to make such extension of greater thickness of the Common Wall or any extension thereof already built, provided, however, such added

thickness may not be placed upon the land of the other Owner without that Owner's consent in writing, and any such addition may not injure the adjoining Townhouse or impair the Common Wall benefits of support and enclosure to which the adjoining Townhouse is entitled, and provided further that prior approval of the ACC as herein provided is obtained. In the event the Common Wall is extended as herein provided, either Owner has the right to use the same for any proper purposes for which the extension may be made to the full extent of the length and height thereof and in the same manner that the Owner is entitled, under the provisions hereof, to use the Common Wall as originally constructed.

6 08 4 Costs of Extension In the event the Common Wall is extended as herein provided, the cost and expense of the extension must be borne by the Owner causing it to be made, provided, however, that should the adjoining Owner then use the extension or any portion thereof as a Common Wall, then that adjoining Owner must pay to the other Owner, fifty percent (50%) of the cost of the extension or portion thereof used as a Common Wall.

6 08 5 Costs of Repair or Rebuilding In the event that it becomes necessary to repair or rebuild the Common Wall or any portion thereof as constructed or extended, the cost of repairing or rebuilding the portions of the Common Wall used by both Owners at the time will be at the expense of both Owners in equal shares, and the cost of repairing or rebuilding any remaining portion will be wholly at the expense of the Owner who exclusively uses that portion.

6 08 6 Damage or Destruction In the event the Common Wall is totally or partially destroyed by fire or other casualty, the Common Wall must be reconstructed either (i) at the expense of both Owners, in equal shares, in the event both intend to continue the use of the Common Wall, or (ii) at the expense of the Owner intending to continue use of the Common Wall if only one Owner will continue its use.

6 08 7 Weatherproofing Notwithstanding any other provisions of this Section, an Owner who by their negligent or willful act causes the Common Wall to be exposed to the elements, must bear the whole cost of furnishing the necessary protection against such elements and all damages resulting from same.

6 08 8 Duration The duration of all provisions of this Section extends for a period of time equal to these covenants and restrictions and as long thereafter as reasonably necessary to the use and occupancy of each Townhouse, and constitutes an easement and a covenant running with the land, provided, however, that nothing herein contained shall be construed as a conveyance by either party of any rights in the fee of the land upon which a Common Wall may stand.

6 08 9 Extension of Owners' Access Easement Notwithstanding any other provisions hereof to the contrary, the access easement as set forth in Section 9.04 is hereby extended to entry to a Townhouse as is necessary to perform needed work as to the Common Wall and other shared structural components, subject however to (i) reasonable requirements by the Owner and/or occupant of the Townhouse being accessed to protect the privacy of the occupants and the contents of the Townhouse, and (ii) such other Rules and Regulations as from time to time adopted by the Board.

6 08 10 General Rules of Law to Apply To the extent not inconsistent with the provisions of this Section, the general rules of law regarding party walls and liability of adjacent owners for property damage due to negligence or willful acts or omissions apply to each Common Wall

SECTION 6 09 Water Usage All toilets, faucets (including outside faucets), sinks dishwashers, washing machines and all other plumbing and other water related facilities which service a Lot and any improvements thereon must be regularly inspected and properly maintained at all times to prevent water leakage, excess water usage and any other waste of water Nothing shall be done and no condition shall be permitted which may or does cause water leakage, excess water usage or waste of water If in the opinion of the Board any violation of this Section may or does exist, the Board may install, or require the Owner of the applicable Lot to install, such devices as may be reasonably required to monitor water usage, may require specific modifications, replacements and/or repairs to specific water related facilities and may take such other action as the Board deems appropriate to prevent water leakage, excess water usage and/or any other waste of water, including without limitation as provided in Section 6.03. Regardless of negligence each Owner is obligated to pay, as a specific assessment, all costs attributable to the Owner's Lot for increase of costs and costs of modifications, replacements and repairs resulting from any water leakage, excess water usage or waste of water

SECTION 6 10 Condemnation If at any time all or any part of the Community Properties is taken (or conveyed in lieu of and under threat of condemnation by the Association acting on the approval of the Owners of a majority of Lots then contained within the Subdivision) by any authority having the power of condemnation or eminent domain, any award compensation or damages must be paid to the Association as trustee for all Owners The board has the exclusive right to act on behalf of the Association with respect to the negotiation and litigation of the taking or condemnation issues affecting such Community Properties The Association shall give timely notice of the existence of such proceedings to all Owners and their mortgagees, if any The expense of participation in such proceedings shall be common expenses payable from the Maintenance Fund The Owners may, by vote of the Owners of seventy-five per cent or more of all Lots, agree to distribute the proceeds of any condemnation or taking by eminent domain, to each Owner and their mortgagee, if any, as their interest may appear In the event the Owners do not so agree, such proceeds must be added to the funds of the Association, and the Association shall decide on whether or not to replace or restore, as far as possible, the Community Properties so taken or damaged If condemnation proceeds are insufficient to replace or restore any loss or damage, the Association may levy a special assessment as provided for in Section 5.05 of this Declaration

Prior to exercise of such easement rights written notice must be given to the Owner or occupant of the affected Lot stating the expected date of commencement of usage, the nature of the intended use and anticipated duration of such usage. The notice may be given either as permitted in Article XII hereof, or by affixing the notice to the front door of the residence on the applicable Lot.
