MONTGOMERY COUNTY UTILITY DISTRICT NO. 4

THE STATE OF TEXAS §
COUNTY OF MONTGOMERY §

The real property, described below, that you are about to purchase is located in Montgomery County Utility District No. 4. The District has taxing authority separate from any other taxing authority, and may, subject to voter approval, issue an unlimited amount of bonds and levy an unlimited rate of tax in payment of such bonds. As of this date, the rate of taxes levied by the District on real property located in the District is \$0.12 on each \$100 of assessed valuation for the 2020 tax year. The total amount of bonds, excluding refunding bonds and any bonds or any portion of bonds issued that are payable solely from revenues received or expected to be received under a contract with a governmental entity, approved by the voters and which have been or may, at this date, be issued, is \$35,160,000, and the aggregate initial principal amount of all bonds issued for one or more of the specified facilities of the District and payable in whole or in part from property taxes is \$21,910,000.

The District is located in the City of Conroe. On February 22, 2013, the District entered into a Strategic Partnership Agreement ("SPA") with the City of Conroe, Texas (the "City") pursuant to Texas Local Government Code, Section 43.0751, which SPA provides for: (1) annexation of the territory of the District by the City for full purposes effective December 31, 2014; (2) continuation of the District, after annexation, as a "limited district" with powers and functions provided by law, including water, wastewater, storm sewer, and solid waste services, and also including the power to levy taxes and collect user fees; (3) provision of fire, police, and other municipal services by the City; (4) payments by the City to the District, including payments to defray debt service related to the Bonds; (5) binding each owner and future owners of land included within the territory of the District; and (6) other matters. Property owners within the District will pay taxes to the District and to the City.

The District has the authority to adopt and impose a standby fee on property in the District that has water, sanitary sewer, or drainage facilities and services available but not connected and which does not have a house, building or other improvement located thereon and does not substantially utilize the utility capacity available to the property. The District may exercise the authority without holding an election on the matter. As of this date, the most recent amount of the standby fee is N/A. An unpaid standby fee is a personal obligation of the person that owned the property at the time of imposition and is secured by a lien on the property. Any person may request a certificate from the District stating the amount, if any, of unpaid standby fees on a tract of property in the District.

of tax is to be placed in the appropriate space. If the District does not have approval from the commission to adopt and impose a standby fee, the second paragraph of the notice may be deleted. For the purposes of the notice form required to be given to the prospective purchaser prior to execution of a binding contract of sale and purchase, a seller and any agent, representative or person acting on the seller's behalf may modify the notice by substitution of the words "January 1, 20____" for the words "this date" and place the correct calendar year in the appropriate space.
