J R FOUNDATION REPAIR

UNCONDITIONAL AND TRANSFERABLE LIFE TIME WARRANTY

J R Foundation Repair has installed 11 exterior and 9 interior driven concrete piers at the structure located at 309 E Foley AVE. TX 77511. See pier layout provided hereto.

Life Time Warranty may be transferred to new owner, for a transfer fee of \$300 payable to J R Foundation Repair within the first 90 after property is granted, sold or conveyed to new owner.

J R Foundation Repair is only responsible for the foundation. Other areas of the property structure, both interior and exterior, are not covered under this warranty.

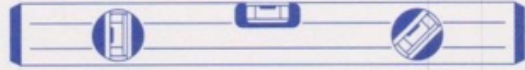

Any re-adjustment needed to the same piers installed by J R Foundation Repair will be performed at no additional cost for the life of this warranty, provided no other major structural changes have been made by the property's owner.

Service agreement effective: 07-10-23
