

M Connected Home™

AUTOMATION SUITE

IT'S TIME TO UNLOCK THE BENEFITS OF YOUR M.CONNECTED HOME™ AUTOMATION SUITE

Congratulations on your new home!

When you get the keys, your smart thermostat, smart door lock and smart garage door will already be installed. Our professional installation partner, SafeStreets, will install the remaining features, including home security devices and the smart home hub that will allow you to control everything from one place. **Scan the QR code below to begin setting up your installation appointment for the remaining features.**

Scan with your phone's camera app.

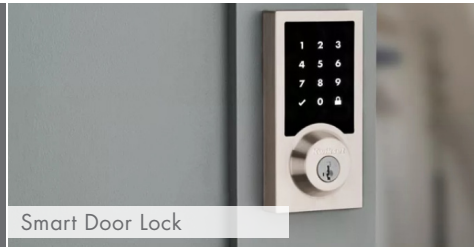

Visit Meritagehomes.com/Connect to learn more about included features.

Setting the standard for energy-efficient homes®

Automation Suite components may vary by home and/or community, may not be available in all homes/communities, and may be changed or substituted by Meritage Homes at any time, without notice or obligation. Smart Home Hub & App, door sensors, motion detector, and professional installation are available for select homes commencing April 1, 2021. Components included in any home are limited in all events to the specific terms set forth in the purchase contract for such home, which shall control in all events. Certain Automation Suite components or features may require an additional subscription or download and use of an app, and other components may be limited to select locations in the home (including, without limitation, door sensors, motion detector, and USB outlets). Mobile connectivity features require WiFi. Standard WiFi/internet and mobile access charges imposed by applicable carrier(s) may apply. All features of, and performance claims and specifications for, M.Connected Home™ Automation Suite components are provided by the applicable manufacturer and Meritage Homes disclaims any representation or warranty with respect to such features, claims, or specifications. M.Connected Home™ is a trademark of Meritage Homes Corporation.
