PURPOSE AND INTENT.
Development of the Property and the Eligrble Property as intially planned, is intended to be a mixed-use development that mcludes residential, multi-family, recreational, and commercial uses.

This Declaration shall serve as the means by which design, development, construction, and maintenance of the Property and Eligble Property anticapated to be annexed into the Association and subjected to this Declaration will be developed. The Master Plan of the Declarant shall be subject to change as necessary in the sole and absolute discretion of the Declarant.

## ARTICLE II.

PROPERTY SUBJECT TO RESTRICTIONS.

## A. Exhibit "A" and Exhibit "B"

Exhibit "A" describes the Property that is mitally encumbered by thus Declaratoon. The Declarant, as the current owner of the Property described on Exhbit "A", is a Member of the Association and has executed thus Declaration.

Exhibit "B" describes the Eligble Property, all or a portion of which may hereafter be annexed into the jurisdiction of the Association and subjected to this Declaration. The annexation shall occur by the consent of the owner of the property to be annexed and shall be evidenced by a written recorded document.

## B. Annexation and De-annexation of Additional Property

Without the joinder of any other Owners or Members, the Declarant reserves the exclusive right as long as there is a Class " B " Membership to annex all or any portion of the Eligible Property described on Exhibit "B" hereto. The Declarant also reserves the
exclusive right as long as there is a Class " $B$ " Membership to de-annex and remove all or any portion of the Property described on Exhubit "A" hereto that is not yet developed with the construction of streets and utilities at the time of de-ainnexation. Such annexation or de-annexation shall be accomplished by the execution and filung for record of an instrument setting forth the land being annexed or de-annexed.

Furthermore, without the joinder of any other Owners or Members, the Declarant reserves the exclusive right to add additional land into Exhubit " B " hereto, thereby increasing the amount of Eligible Property, as long as there is a Class "D" Membershup. Additional property may be thereafter annexed and made subject to this Declaration, or property may be withdrawn, by wnitten instrument approved by the affirmative vote of the Members of the Assocation holding at least seventy-five percent ( $75 \%$ ) of the total votes and filed of record in the Official Public Records of Real Property of Galveston County, Texas.

The nght of the Declarant to annex or de-annex land under thus Section shall pass to the Association upon the termunation of the Class "B" Membershup pursuant to Article V, Section C.

ARTICLE IV. SUPPLEMENTAL RESTRICTIONS.

## A. Purpose

Declarant may subject selected portions of the Property to additional covenants, conditions and restrictions by recording supplemental restrictions in the real property records.

## B. Neighborhood Assessments

The Declarant shall have the right to designate a portion of the Residential Property as a Neighborhood and to provide for services to such Neighborhood to be paid for by the levy of Neighborhood Assessments secured by a contanuing lien against the Homesites in such Neighborhood. In addition, the Owners of a majority of the Lots within a particular portion of the Residential Property may petition the Association for the conferral of Neighborhood status on such portion of the Residential Property.

Neighborhood Assessments may be levied to pay the expenses of certain amenitues or services available only to a particular Neıghborhood.

Each Neighborhood, upon the affirmative vote, wntten consent, or a combination thereof of the Owners of a majority of the Lots in such Neighborhood, may request that the Assocation provide a higher level of services or special services for the benefit of such Neighborhood. In the event the Association agrees to provide such services, the cost of such services shall be assessed against all Members within such Neighborhood as the Neighborhood Assessment. If a Neighborhood recelves a higher level of service or special services and no longer desires to maintain or pay Neighborhood Assessments for such services, the higher level or special services may be revoked upon written consent of the Owners of a majonty of the Lots within such Neighborhood. The Neighborhood Assessment shall be secured by the contnnung lien against each Lot in the apphcable Neighborhood and shall be enforceable as an assessment set forth under Article XIII, Section F of this Declaration.

ARTICLE V.
MEMBERSHIP AND VOTING RIGHTS.

## A. Eligbility

Eligibility to vote or hold office shall be predıcated upon a Member being in good standing with the Association. To be in good standing, the Member must have all assessments of every type and category paid up to date and have no outstanding financial obligations to the Association that are delinquent. Additonally, no Member shall be allowed to vote or hold office if that Member is alleged in a formal written notace from one Association to have a deed restriction violation on hus property.

## B. Membershup

The sole criteria to become a Member of the Association is to hold title to a Lot, Tract or Unit within the Property. This is not to imply that any holder of a mere secunty interest (such as a mortgagee, or holder of any other lien against property) would be a Member, unless that holder of the security interest forecioses and thereby becomes the Owner of the property. Membershup is appurtenant to and runs with the land.

Membershup is not severable as an individual right and cannot be separately conveyed to any party or entity Multaple owners of a single Tract, Lot or Unit must vote in agreement (under any method they devise among themselves), but in no case shall such multaple Owners cast pormons of votes. All of the votes attributable to any single Tract or Lot must be voted in the same manner (i.e. all votes for, or all votes against a particular issue).

All duties and oblggations set forth in this Declaration or any supplemental restinctions are the responsiblity of each Miember. No waver of use of rights of enjoyment created by this Declaration shall relieve Members or their successors or assigns of such duties or obligations. Mandatory membershup shall begin with the execution of this Declaration and pass with tatle to the land (regardless of any method of conveyance) to any subsequent grantee, successor, or assignee of Members currently owning the property.
C. Voting Rights

The Association shall mitially have two classes of membership, Class "A" and Class " $B$ ", as follows:

1. Class "A" Membershup:

Class "A" Members shall be all Members with the exception of Class " $B$ " Members, if any. Each Class "A" Member's voting rights shall be based on acreage within the Tract of land owned as to Mult-Family or Commercial Property, and based on the number of Lots owned as to Residential Property, and shall be determined as follows:

Ten (10) votes shall be granted per acre of Commercial Property or Multi-Family Property owned, rounded to the nearest whole acre. One (1) vote shall be granted per platted Lot of Residential Property owned
2. Class " $B$ " Membershup:

Class "B" Members shall include the Declarant and such other Owners as the Declarant may, in its sole discretion, confer Class "B" Membership status upon. Each Class "B" Member's voting rights shall be based on acreage owned as to Tracts
(whether Commercial Property or Mult-Family Property), and based on the number of Lots owned as to Residential Property, and shall be determuned as follows:

One hundred (100) votes shall be granted per acre of Commercial Property or Multi-Family Property owned, rounded to the nearest whole acre. Ten (10) votes shall be granted per platted Lot of Residential Property owned.

The Class " $B$ " Membershup shall cease on January 1, 2020 or on the date that the total votes of the Class " $A$ " Members equals the total votes of the Class " $B$ " Members, whichever occurs first. At such time, any remaining Class ' $B$ Members shall be converted to Class "A" Members.
D. Voting Procedures

1. Delineation of Neıghborhoods:

Every Homesite shall be located within a Neighborhood, and every Building Site shall be located within a CMF Area, as designated by Declarant. All Residental Property not included withan a Neighborhood designated in supplemental restrictions shall be considered a part of a single unnamed Neighborhood and all Tracts not designated by the Declarant as part of a partcular CMF Area shall be considered a part of a single unnamed CMF Area.
2. Election of Neighborhood Representatives and CMF Representatives:

Each Neighborhood shall have a Neighborhood Committee and shall be represented by a Neighborhood Representative; each CMF Area shall have a CMF Committee and shall be represented by a CMF Representative. The selection of the Neighborhood Representatives and CMF Representatives and the Neighborhood Committees and CMF Committees shall be made as set forth in detail in the By-Laws of the Association. The Neighborhood Representatuves and CMF Representatuves shall cast all votes representang his or her own Neighborhood's or CMF Area's Members at meetings of the Association as such Neighborhood Representatives or CMF Representatives are required to attend. Each Neighborhood Representative or CMF Representative shall cast the number of votes allotted to the Neighborhood or CMF Area he or she represents.

The Property may generally be used for any residential, multi-family, commercial, retal, or industrial purpose, unless prohibited by the provisions of thus

Declaration, any applicable supplemental or amended declaration, or by any governmental regulation.
D. Golf Course

The golf course and any expansion thereof which has been or will be established by the Declarant or any other entity shall not be considered as restracted under this Declaration or a part of the Property, unless such golf course is later subjected to this Declaration by a recorded document. As any such golf course shall be considered as separate and apart from the Assocation, Membershup in the Association, by itself, will not grant membership in, access to, or right to use such golf course.

## E. Parking Restrictions

No more than four (4) vehicles (passenger cars or noncommercial trucks or vans consistent with the residential use of a Homesite) may be parked on the dnveway of a Homesite at any time. Such vehicles to be parked on a Homesite must meet the restrictions of thes Declaration and at all times be operable, have current license tags, state inspection stickers, and comply with then current mandatory insurance under the laws of the State of Texas. All vehcles parked withun the Property shall also be maintained in a manner such that the appearance of the vehucle does not detract from the marketabulity and appearance of the Property.

Recreational vehicles such as mobile homes, campers, and boats are not considered vehicles incident to the residential use of a Homesite and therefore may be parked on Homesites only for loading, unloading and cleaning purposes for a penod not to exceed forty-eight (48) hours.

Parking of any vehicle other than in a dnveway of a Homesite or other paved area provided for parking is expressly prohubited. Parking on streets shall at all tmes be prohubited for any length of tume exceeding twenty-four (24) hours.

## F. Screemug

In addution to those covenants, conditions and restrictons set forth in Article II of the Declaration of Covenants, Conditions and Restrictions for Magnolia Creek recorded under Galveston County Clerk's File No. 9965227, no Member or occupant of any
portion of the Property shall permut the keeping of articles, goods, materials, refuse, trash or garbage contamers, air-conditioners, storage tanks, or like equipment in the open, exposed to public view, or exposed to view from adjacent Building Sites or Homesites. All such items must be screened from view and placed in a location first approved in writing by the ARC. Such screen must be approved in writing by the ARC and shall be of a height at least equal to that of the matenals or equpment being stored, but in no event shall such screen be more than six feet ( $6^{\prime}$ ) in height. Added screening must also be provided to sheld such stored matenals and equipment from view from adjacent Buildings or Dwellings.

## G. Outside Storage and Trash Collection

No equipment, machinery, or materials of any kind or nature shall be stored on any Homesite or Building Site forward of the fence at the front facade of the Dwelling or Buulding situated thereon, unless the equpment, machmery or matenals is being used temporarily (not more than one week) and is ncident to repaur of the Homesite or Building Site. All equipment, machinery, and materials shall be properly stored out of sight of every other Homesite and Bulding Site immediately after use of such item, and all trash, debris, excess, or unused materials or supplies shall likewise be disposed of immediately off of the Homesite or Building Site, or stored out of view until trash collection occurs.

Trash may only be placed outside for collection the evenung before collection. Such trash must be contained to protect from animals or spillage and trash cans must be removed from sight the same evening of collection.

## H. Easements

1. Utilities and General:

There are hereby reserved unto Declarant, so long as the Declarant owns any Property or Eligible Property, the Association, and the designees of each (which may include, without limitation, Galveston County and any utility) access and maintenance easements upon, across, over, and under all of the Property to the extent reasonably necessary for the purpose of replacing, reparing, and maintaning cable television

## ARTICLE VIII.

## ARCHITECTURAL RESTRICTIONS.

## A. Architectural Review Committee - "ARC"

The inutial ARC shall be composed of three induviduals designated by Declarant, one of whom may be designated as Representative to act on behalf of the ARC. The Deciarant reserves the right to remove any member of the ARC as well as the right to appoint replacements as necessary by reason of resignation, removal or incapacity. The Declarant shall retain the right of ARC appointment until the earlier of:

1. the date on which Declarant has sold and conveyed all of its Lots and Tracts within the property, or
2. when the Declarant desires to relnnqush its authority over ARC appointment.
At such time the Board of Drectors of the Association shall have the right to replace such $A R C$ members by duly electing three Owners in good standing with the Assocation. The Board of Directors shall thereafter have the right to appoint replacements as necessary by reason of resignation, removal or incapacty.

## B. ARC Approval Requred

No buildings, additions, modifications or improvements shall be erected, placed or performed on any Building Site or Homesite until the construction plans and speofications including, but not limuted to, the site plan, design development plan, exterior plan, signage plan, landscaping plan, and lighting plan have been submitted in triplicate to and approved in writang by the ARC as hereinafter provided. The ARC may, at its sole discretion, retain and delegate review of plans and specfications to a designated AIA archutect expenenced and qualified to review same, who may then render an opinion to the ARC. Approval of plans and specifications shall not cover or include approval for any other purpose and speafically, but without limutation, shall not be construed as any representation as to or responsibility for the design of the
mprovement or the ultimate construction thereof. In the event the ARC fails to approve such plans and specifications within tharty (30) days after the receipt thereof, they shall be deemed to be disapproved. The ARC or its assignee, at its sole discretion and to the extent not expressly prohbited by this Declaration and any amended or supplemental restrictions, is hereby permited to approve in writing deviations in the general use restrictions set forth in Article VII in instances where, in its judgment, such deviations will enhance the beneficial use of and the overall development plan for the Property. The approval of a deviation in the general use restrictions by the ARC does not obligate the $A R C$ to approve a smilar deviation at a later tme. Notwithstanding any other provision contamed herem, any Buildings, Dwellngs, additions, or improvements erected or placed on any Building Site or Homesite shall be deemed to comply with the building requrements of the $A R C$ and related covenants contained in this Declaration unless the ARC so notifies the Owner in writing withen four (4) years from the completion thereof. This provision, however, shall not be deemed a waver of the right of the ARC or the Association to enforce the contmung restriction of use contained herein.

The ARC and the Association shall have the authority hereunder to require any Owner or Owner's agents or contractors to cease and desist in constructing or altering any improvements on any Property, where such actions constitute a violation of this Declaration, the Bulding Gudelines or any other documents promulgated by the ARC. The violating Owner shall remove such violatng improvements or sitework at its sole expense and without delay, returning same to its original condition or brunging the Building Site or Homesite into compliance with this Declaration, ARC documents and any plars and specfications approved by the ARC for construction on that Building Site or Homesite. If an Owner proceeds with construction that is nor approved by the ARC, or that is a variance of the approved plans, the Association may assess fines as provided in Article XVI, Section $F$ and may continue to assess such fines until ARC approval is granted or the violation is removed. This Declaration is notice of such liability for violation and Owners hereby agree to bear the cost and expense to cure any violations
according to thus provision, regardless of the substantal cost, tme or loss of business involved.

Written notice may be delivered to the Owner or any agent or contractor with apparent authority to accept same and notice shall be binding on such Owner as if actually delivered to Owner.

The ARC or its agents or assigns shall have the right, but not the obligation, to enter the Property to determune if violations of this Declaration, the Building Guidelines, or any other documents promulgated by the ARC exist.

The ARC shall have the right to set time constraints for both the commencement and completion of construction. If construction fails to start before the designated commencement date or is not completed by the designated completion date, the plans shall be deemed not approved.

The ARC has the right to charge a review fee, to be established by the Board of Drectors, for review of any plans or specifications submutted for approval to the ARC.

## C. Building Setbacks

In addution to those covenants, conditions and restrictions set forth in Article II of the Declaration of Covenants, Conditions and Restrictions for Magnolia Creek recorded under Galveston County Clerk's File No. 9965227, no Building, Dwelling or other structure shall be erected nearer to any street or property line than that allowed by the applicable plat or other recorded documents unless first approved in writing by the ARC. Sidewalks and driveways shall be permitted to be placed within a setback as approved by the ARC.
D. Landscaping

All open, unpaved space in a Homesite or Building Site, including but not limited to front, side, and rear bullding setback areas, shall be planted and landscaped prior to occupancy of any Homeste or Bulding Site in accordance with the plans approved by the ARC and any landscaping guidelines promulgated by such body. Any significant alteration of the existing landscaping on any Homesite or Building Site must have written approval from the ARC.

## E. Grading and Drainage

Topography of each and every Building Site and Homestet must be maintained with proper grading and drainage systems such that runoff of water (rain or other precipitation, or manmade irngation) does not cause undue erosion of the subject Homesite or Bulding Site itself or any other Homesites or Building Sites, whether adjacent to the subject Homesite or Bulding Site or not. Owners causing (either durectly or undirectly) erosion or other incident damage to personal or real property due to inadequate or defective grading or drainage measures on their own Homesite or Bulding Site, or because of the excess runoff cause by their own irrigation system, shall be liable to all such damaged parties for the replacement, repair and/or restoration of such damaged real or personal property.

Each Owner shall be responsible for ensuring that all local, state and federal rules and regulations regarding dramage and run-off are met.

## F. Temporary Structures

Temporary structures may only be erected by bulders or the Declarant with the written prior approval of the ARC. Even temporary structures shall be installed in accordance with any applicable provisions of the Architectural Guidelines promulgated by the ARC; time limitations for such structures are limited to the period of active and exclusive construction and sales within the Property.

ARTICLE DX.<br>MAINTENANCE.

## A. General Maintenance

Each Owner shall maintain and keep in good reparr hus or her Dwelling or Building and all structures, parking areas and other improvements comprising the Homesite or Building Site. All structures and other improvements designed to be painted must be kept painted and the paint may not be allowed to become faded, cracked, flaked or damaged in any manner. Grass, vegetation and weeds on each Homeste or Building Site shall be cut as often as may be necessary to mantan the same in a neat and attractive condition. Grass growing onto or over sidewalks,
driveways, and curbs shall be presumed to be unattractive.

## B. Landscaping

In the event the Owner of any Homesite or Building Site withun the Property fails to mantain the landscaping, grass or vegetation of a Homesite or Bulding Site in a marner satisfactory to the Board of Directors of the Association, the Association, after ten (10) days' notice to the Owner of the Homesite or Building Site setting forth the action intended to be taken by the Association and after approval by a two-thirds (2/3) vote of the Board of Drectors, shall have the right but not the obligation, through its agent, contractors and/or employees, to enter upon said Homesite or Bulding Site and to maintain, cut, trim and/or restore such landscaping, grass or vegetation.

## C. Dwelling Exterior

In the event the Owner of any Homesite or Bulding Site fails to maintain the exterior of the Homesite or Buildng Site, Including the exterior of the Dwelling, Building or other structures and the parking areas, in a manner satisfactory to the Board of Drectors of the Association, the Association, after thirty (30) days' notice to the Owner of the Homesite or Building Site setting forth the acton intended to be taken by the association and after approval by a two-thurds (2/3) vote of the Board of Directors, shall have the right, but not the obligation, through its agents, contractors and/or employees, to enter upon said Homesite or Bulding Site and to repair, maintain, or restore the exterior of the Dwelling, Bulding, other structure or parking areas.

## D. Other Hazards

To the extent necessary to prevent rat mfestation, dimunish fire hazards and/or diminish hazards caused by structural damage, the Association shall have the right, but not the oblagation, through its agents, contractors and/or employees, to enter any Dwelling, Building or other improvement located upon such Homesite or Building Site without notice to take the action necessary to prevent such rat infestation, duminsh such fire hazards or diminish hazards caused by structural damage.

## E. Llability Cost and Approval

Nelther the Association nor its agents, contractors, or employees shall be liable,
and are expressly relieved from any liability, for trespass or other tort in connection with the performance of the exterior maintenance or other work authorized in this Section. The cost of such exterior maintenance, hazard diminution and other work shall be the personal obligation of the Owner of the Homesite, or Building Site on which it was performed and shall become part of the assessment payable by the Owner and secured by the lien retamed in this Declaration. Alternately, the Assocration or any Owner of a Homesite or Building Site may bring an action at law or in equity to cause the Owner to bring said Homesite or Building Site into compliance with these restrictions.

All Members' replacement, reparr and restoration practices as to the improvements within the Property are subject to the prior approval of the ARC and must comply with all Building and/or Architectural Guidelines whuch may change from time to time, as found necessary and appropnate in its sole discretion.

## ARTICLE X.

STANDARDS AND PROCEDURES.
The ARC shall establish and promulgate the Building and/or Builder Guidelunes, which the ARC may modify or amend as it deems necessary and appropnate for the orderly development of the Property, including, but not limuted to, those portions of the Building and/or Bulder Gurdelines regarding workmanship, materıals, buildıng methods, observance of requrements concerning installation and maintenance of public uthlity facilities and services, and compliance with governmental regulations. The Bulding and/or Builder Guidelines may be amended by the ARC without notice, but they shall not be applied retroactively to reverse a prior approval granted by the ARC or the Association to any Owner or prospective purchaser of any Buldung Site or Homesite. The rules, standards, and procedures set forth in the Building and/or Builder Guidelines, as same may be amended from time to time, shall be binding and enforceable against each Owner in the same manner and any other restriction set forth in this Declaration.

ARTICLE XI.

## VARIANCES.

The ARC may authorize variances from compliance with any of the architectural provisions of this Declaration, any amendment, supplemental restrictions, Bulding and/or Bulder Gudeline, or Archutectural Guideline, unless specafically prohubited, including restrictions upon height, size, placement of structures, or simular restrictions, when circumstances such as topography, natural obstruction, hardshup, aesthetic, or environmental considerations may require. Such variances must be evidenced in writing, must be signed by at least a majority of the ARC, and shall become effective upon execution of the variance. If a variance is granted, no violation of the covenants, condations, or restrictions contained in this Declaration shall be deemed to have occurred with respect to the matter for which the variance was granted. The granting of such a variance shall not operate to wave any of the terms and provisions of this Declaration for any purpose except as to the particular provision hereof covered by the variance, nor shall it affect in any way the Owner's obligation to comply with all applicable governmental laws and regulations.

No grantang of a variance shall be relied on by any Member or Owner, or any other person or entity (whether privy or party to the subject variance or not), as a precedent in requesting or assuming variance as to any other matter of potential or actual enforcement of any provision of this Declaration. Action of the ARCm.granting or denyng a variance is a decision based expressiy on one unque set of arcumstances and need not be duplicated for any other request by any party or the same party for any reason whatsoever.

## ARTICLE XII. <br> LIMITATION OF LLABILITY.

Neither Declarant, the Association, the ARC, the Board, nor any of the respective officers, partners, directors, members, successors or assigns of the above, shall be liable in damages or otherwise to anyone who submits matters for approval to any of the above-mentioned parties, or to any Owner affected by thus Declaration by reason of mustake of judgment, negligence, or nonfeasance arising out of or in connection with the
approval or disapproval or failure to approve or disapprove any matters requring approval hereunder. Approval by the $A R C$, the Board, or the Association is not intended as and shall not constitute any kind of warranty or guarantee as to the integrity or workability of the plans nor the contractors used.

ARTICLE XIII.
ASSESSMENTS.

## A. Creation of the Lien and Personal Obligation for Assessments

The Owner of each Lot and Tract, by virtue of ownershup of such property, covenants and agrees to pay to the Association:

1. Annual Assessments,
2. Special Assessments, and
3. Neighborhood Assessments.

The Annual, Special and Neighborhood Assessments, together with late charges, attorney's fees, interest and costs shall be a charge and continuing lien upon the Lot or Tract against which each such assessment is made. Each such assessment, together with late charges, attorney's tees, interest and costs, shall also be the personal obligation of the person or entity who was the Owner of the land at the time when the assessment became due. The personal obligation for delinquent assessments shall not pass to successors in title unless expressly assumed by them.

## B. Purpose of Assessments

Annual and Special Assessments levied by the Association shall be used for any legal purpose for the benefit of all Owners as determuned by the Association and, in particular, may by way of example and not limitation or obligation include maintenance, repair or improvement of any Common Area, parkways, esplanades, setbacks and entryways, police and patrol service, fire protection, emergency medical service, street cleaning, street lighting, mosquito control., other services as may be in the Owners' interest and for promotion of the recreational interests of the Members. Parkways, esplanades, setbacks and entryways that are not contauned in any Common Area shall be included in the Association's manntenance

## C. Annual Assessment

The Property shall be subject to the Annual Assessment, as follows:

1. Creation:

Payment of the Annual Assessment shall be the obligation of each Owner and shall constitute a lien on the Building Site or Lot, binding and enforceable as provided in this Declaration.

## 2. Rate:

The intial Annual Assessment established by the Association shall not exceed $\$ 500$ per Lot for Residential Property and $\$ 2,000$ per acre of Commercial Property and undeveloped Mult-Famuly Property. If Multn-Famuly Property has been developed, the inutal annual assessment shall not exceed $\$ 500$ per Unit. If a Lot or Tract is owned by the Declarant or has been purchased by a builder and has not yet been improved with a single famuly Dwelling or Building, the property shall be assessed at fifty percent ( $50 \%$ ) of the normal annual assessment that would be owed if umprovements had been constructed on the property. Upon purchase from a builder, the new owner shall owe a prorated amount as described under paragraph 4 of thus Section. Thus special rate for Declarant and builder-owned property shall termonate when the Class " $B$ " membership in the Association terminates.

## 3. Commencement:

For purposes of calculation, the inital Annual Assessment shall commence on the first day of the first month following the date of execution of this Declaration. Annual Assessments shall be due in advance on January 1 for the coming year and shall be delinquent if not paid in full as of January 31 of each year.

## 4. Proration

An Owner's initial Annual Assessment shall be made for the balance of the calendar year as determined on a pro-rata basis and shall become due and payable on the commencement date described above. The Annual Assessment for any year after the first year shall be due and payable on the first day of January.
5. Levying of the Assessment:

The Annual Assessment shall be levied at the sole discretion of the Board. The Board shall determine the sufficiency or insufficiency of the then current Annual Assessment to reasonably meet the expenses for providing services and may, at 1ts sole discretion and wrthout a vote by the Members, increase the Annual Assessment in an amount up to ten percent ( $10 \%$ ) over the previous year's Annual Assessment. The Annual Assessment may only be increased by more than ten percent ( $10 \%$ ) over the preceding year's Annual Assessment if such increase is approved by Members in good standing (as represented by their Neighborhood Representatives and CMF Representatives) who represent a majority of the votes present at a meeting called for said purpose.

## D. Specral Assessments for Capital Improvements

In addition to the Annual Assessments authorized above, the Association may levy a Special Assessment applicable to that year only for the purpose of defraying in whole or in part the cost of any construction, reconstruction, repair or replacement of a capital improvement in the Common Area or any unusual, infrequent expense benefitting the Association, provided that any such assessment shall have the approval of a majority of the Class "A" Members (as represented by their Neighborhood Representatives and CMF Representatives) and Class "B" Members at a meeting duly called for thus purpose. Such Special Assessments will be due and payable as set forth in the resolution authorzing such assessment and shall be levied only against those Owners subject to the Annual Assessment as set forth in Section C hereof and shall be pro rated in accordance therewith. The Association, if it so chooses, may levy a Specal Assessment aganst only those Members benefitted by or using the capital improvement for which the Special Assessment is being levied. Special Assessments shall be due upon presentment of an invoice, or copy thereof, for the same to the last-known address of the Owner.

## E. Neughborhood Assessments

If a Neighborhood receives spectal or a higher level of services pursuant to Article IV, Section B of this Declaration, and Neighborhood Assessments must therefore
be imposed to fund such services, payments of such Neighborhood Assessments shall be the exclusive obligation of all Owners owning property within such Neighborhood and will not be charged to Members not owning property withun such Neighborhood.
F. Collection and Remedies for Assessments

1. The assessments provided for in this Declaration, together with late charges, attorneys fees, interest and costs as necessary for collection, shall be a charge on and a continuing lien upon the land against which each such assessment is made. Each such assessment, together with late charges, attorney's fees, interest and costs, shall also be the personal obligation of the Owner of the land at the tome the assessment became due. Thus personal obilgation for delinquent assessments shall not pass to successors in title unless expressly assumed by them.
2. Any assessment not paid within thurty (30) days after the due date shall bear interest from the due date at the lesser of (i) eighteen percent ( $18 \%$ ) or (1) the maximum nonusurious rate of interest. No Owner may warve or otherwise escape liablily for the assessments provided for in thus Declaration by reason of non-use of Common Area or abandonment of his property.
3. In order to secure the payment of the assessments hereby levied, an assessment lien is hereby reserved in each deed from the Declarant to the Owner of each parcel of property, whuch lien may be foreclosed upon by non-judicial foreclosure pursuant to the provisions of Section 51.002 of the Texas Property Code (or any successor statute); each Owner grants a power of sale to the Association to sell such property upon default in payment of any amount owed. Alternatively, the Assocation may judicially foreclose the hen or maintain as action at law to collect the amount owed.
4. The President of the Association or hus or her designee is hereby appointed Trustee to exercise the Association's power of sale. The Trustee shall not incur any personal liability hereunder except for hes or her own willful misconduct.

Although no further action is required to create or perfect the lien, the Assocration may, as further evidence and notice of the lien, execute and record a document setting forth the amount of the delinquent sums due the Association at the
time such document is executed and the fact that a hen exusts to secure the repayment thereof. However the failure of the Association to execute and record any such document shall not, to any extent, affect the validity, enforceability, or priority of the lien. The Association shall also have the right to notify a delinquent Owner's lender, in writing, of such Owner's delinquency and default.

In the event that the Association has determined to non-judicially foreclose the lien provided herein pursuant to the provisions of said Section 51.002 (or any successor statute) and to exercise the power of sale hereby granted, the Association shall manl to the defaulting Owner a copy of the Notice of Trustee's Sale no less than twenty one (21) days prior to the date of the proposed foreclosure sale, postage prepaid, registered or certified mail, return receipt requested, properly addressed to such Owner at the last known address of such Owner according to the records of the Assoclation or by hand delivery.

At any foreclosure proceeding, any person or entity, including but not limited to the Declarant, Association or any Owner, shall have the right to bid for such property at the foreclosure sale and to acquire and hold, lease, mortgage and convey the same. During the period property is owned by the Association following foreclosure, (1) no right to vote shall be exercised on its behalf; (ii) no assessment shall be levied on it; and, (iii) each other Lot and Tract may be charged, in addrtion to its usual assessment, its equal pro rata share that would have been charged such property if it had not been acquired by the Association as a result of foreclosure.

Out of the proceeds of such sale, there shall be paid all expenses incurred by the Association in connection with such default, including attorneys' fees and trustee's fees; second, from such proceeds there shall be paid to the Association an amount equal to the amount of assessments in default inclusive of interest, late charges and attorneys ${ }^{\prime}$ fees; and, third, the remaining balance, if any, shall be paid to such Owner. Following any such foreclosure, each occupant of any such Lot or Tract foreclosed on and each occupant of any mprovements thereon shall be deemed to be a tenant-at-sufferance and may be removed from possession by any lawful means, including a judgment $f$ or
possession and any action of forcible detainer and the issuance of writ of restitution thereunder.

## G. Exempt Properties

The following are exempt from payment of assessments under thus Declaration: schools, churches and recreational facilities and reserves.

All properties dedicated to any accepted use by a municipal county, federal, or other governmental authonty and all properties owned by charitable or non-profit organizations that are exempt from taxation by federal laws and the laws of the State of Texas shall be exempt from the assessments created herein and the Owners thereof shall have no voting rights with respect thereto.

## H. Notice of Delinquency

The Association shall be required to give a written notice of delinquency to any Owner who has not paid an assessment that is due under this Declaration. Such notice must be mailed to the Owner's last known address. The address of the Lot, Homesite or Building Site shall be presumed to be the address for proper notice unless written notice of another address shall be provided to the Association.

ARTICLE XIV.

## MODIFICATION AND TERMINATION OF COVENANTS.

Each restriction and covenant contained in this Declaration may be amended, modified, or terminated by the fining of a recorded instrument executed by the Association or its legal representatives; successors or assigns. Approval by Owners having seventy-five percent (75\%) of the combined total votes of the Class $\mathrm{A}^{\prime \prime}$ and Class " $B$ ", if any, Membership shall be required to amend, modify or terminate these restrichons and covenants.

However, the Declarant may unilaterally amend this Declaration at any time if such amendment is (a) necessary to bring any provision hereof into compliance with any applicable governmental statute, rule or regulation, or judicial determination; (b) necessary to enable any reputable title insurance company to issue title insurance coverage on the Lots, Homesites or Building Sites; (c) required by an institutional or
governmental lender or purchaser of mortgage loans, including, for example, the Federal National Mortgage Association or Federal Home Loan Mortgage Corporation, to enable such lender or purchaser to make or purchase mortgage loans on the Lots, Homesites or Building Sites; or (d) necessary to enable any governmental agency or reputable private insurance company to insure mortgage loans on the Lots, Homesites or Bulding Sites; provided, however, any such amendment shall not adversely affect the tutle to any Lots, Homesites or Buulding Sites unless the Owner shall consent thereto in writing.

## ARTICLE XV. <br> ALTERNATE DISPUTE RESOLUTION.

## A. Dispute Resolution Committee

No dispute between any of the following entities or undividuals shall be commenced untll the parties have submitted to non-bunding mediation: Owners; Members; the Board of Directors; officers in the Association or Neighborhood Committees; the Association; or any Neighborhood Committee. Each individual shall represent himself or herself, or, in the case of ownershup by a business or other entry, such entity shall appoint a representative. A Nenghborhood Committee shall be represented by an Owner who sits on the Board of such Commuttee. The Association shall be represented by a member of the Board of Directors. The Board of Directors shall be represented by an individual designated by the Board of Directors. The dispute shall be brought before the Association's Dispute Resolution Committee for resolution. This non-binding medıation process shall be used for all disputes concernung less than five tumes the annual assessment for one year for one Lot at the tume the mediation is requested. In the event that the parties cannot come to an agreement under thus process of mediation by the Dispute Resolution Committee, the parties must submut to mediation under Section $B$ of this Article.

The Dispute Resolution Committee shall consist of three (3) individuals, at least two (2) of whom must be Members, all appounted by the Board of Directors of the Association. The Board shall maintain, if possible, a list of no less than twenty (20)
volunteer Members in good standing willing to serve on such commattee. All such volunteers shall be required to attend a training session before being eligible to actually serve on the Dispute Resolution Commuttee.

Disputes between Owners that are not regulated by this Declaration shall not be subject to the dispute resolution process.

## B. Qutside Mediator

If a dispute between any of the above entities or individuals concerns more than five times the Annual Assessment for one year for one Lot at the time the mediation is requested, or if the parthes cannot reach agreement under Subsection A of this section, the parties must voluntanly submat to the following medaation procedures before commencing any judicial or administrative proceeding. Each party will represent himself/herself individually or through an agent or representative, or may be represented by counsel. The dispute will be brought before a mutually selected mediator. Such mediator will either be an attorney-medator skilled in community association law, a Professional Communty Association Manager ("P.C.A.M.") as certfied by the Commuruty Associations Institute, or a Certified Property Manager ("C.P.M.") as cerified by the Institute of Real Estate Managers. In order to be eligible to mediate a dispute under this provision, a Mediator may not reside in the Property, work for any of the parties, represent any of the parties, nor have any confluct of miterest with any of the parties. The Board shall maintain a list of no less than ten (10) potential mediators, but the parthes will be in no way limited to therr choice by thus list. Costs for such mediator shall be shared equally by the parties. If the parties cannot mutually agree upon the selection of a mediator after thurty (30) days, each party shall select its own mediator and a third will be appointed by the two selected medrators. If this selection method must be used, each party will pay the costs of its selected mediator and will share equally the costs of the thurd appointed mediator.

## C. Mediation is Not a Waiver

By agreeing to use this dispute resolution process, the parties in no way waive their rights to extraordinary rehef including, but not limited to, temporary restraining
orders or temporary injunctions, if such relief is necessary to protect or preserve a party's legal rights before a mediation may be scheduled.

## D. Assessment Collection

The provisions of thus Declaration dealing with Alternate Dispute Resolution shall not apply to the collection of assessments by the Association as set out in thes Declaration.

## E. Term

Thus Article XV shall be in full force and effect for an inital period of three (3) years from the date of execution of this Declaration. Thereafter this Article XV shall remain in full force and effect unless, at the first open meeting of the Association after such inutial period, a majority of quorum of the Neighborhood Representatives or the Board of Directors votes to terminate the provisions of this Article XV, Alternative Dispute Resolution.

## ARTICLE XVI.

GENERAL PROVISIONS.

## A. Severabulity

The invalidity of any one or more of the provisions of thes Declaration shall not affect the valdity of the other provisions thereof.

## B. Compliance with Laws

At all times, each Owner shall comply with all applicable federal, state, county, and muncipal laws, ordinances, rules, and regulations with respect to the use, occupancy, and condition of the Property and any improvements thereof. If any provision contained in this Declaration or any supplemental declaration or amendment is found to violate any law, then the provision shall be interpreted to be as restrictive as possible to preserve as much of the original provision as allowed by law.

## C. Gender and Number

The singular wherever used herein shall be construed to mean or anclude the plural when applicable, and the necessary grammatical changes required to make the provisions hereof applicable either to corporations (or other entities) or mdividuals,

The tifles and captions for this Declaration and the sections contained herein are for convenience only and shall not be used to construe, interpret, or limit the mearung of any term or provision contained in this Declaration.

## E. Governing Law

The provisions in this Declaration shall be governed by and enforced in accordance with the laws of the State of Texas. Any and all obligations performable hereunder are to be performed in Galveston County, Texas

## F. Fines for Violations:

The Association may assess fines for violations of the restrictive covenants contained in this Declaration, other than non-payment or delinquency in assessments, in an amount to be set by the Board of Directors, which fines shall be secured by the contmuing assessment lien set out in thus Declaration.

## G. Books and Records

The books, records and papers of the Association shall by appointment, during normal business hours, be subject to inspection by any Member. The Articles of Incorporation, ByLaws, and thus Declaration shall likewise be available for unspection, by appointment during normal business hours by any Member at the office of the Assocration.
H. Notices

Any notice required to be sent to any Owner under the provisions of thus Declaration shall be deemed to have been properly sent when mailed, postpand, to the last known address of the person who appears as Owner on the records of the Association at the tume of such maling.
I. Mergers

Upon a merger or consolidation of the Association with another assocation as provided in its Articles of Incorporation, the Association's properties, assets, rights and obligations may be transferred to another surviving or consolidated association or,
alternatively, the properties, assets, rights and obligations of another association may be transferred to the Association as a surviving corporation. The surviving or consolidated association shall administer any restrictions together with any Declarations of Covenants, Conditions and Restrictions governing these and any other properties, under one administration. No such merger or consolidation shall cause any revocation, change or addition to this Declaration.

## J. Current Address

Owners are required to notify the Association of their current address at all times.
