

crawford place

the builder

Home Art Homes is a
Houston-based company that
has been delivering high-
quality homes since 2001.
Their team of professionals in
architecture, engineering, and
interior design are dedicated
to creating functional and
delightful environments in all
their homes.

the location

A fantastic opportunity for you to live in a unique, beautiful, and modern house located in the highly sought-after Museum District. This is your chance to be a part of an upscale and vibrant community, with easy access to the Medical Center, Downtown, and Herman Park.
