

RENTER'S GUIDELINES

Renters may not have discretionary access to Club facilities. They must be either invited or accompanied by a member (your landlord). By completing the renter form to request your Renter card, your landlord has "invited" you to use the Elkins Lake facilities on a limited basis.

Renters may use the facilities no more than three times in any 30 day period as long as you follow the established rules and pay the appropriate guest fees, if required. A full copy of the ELRC Rules and Regulations is available in the Administration Office or online at www.elkinslake.net.

Please remember that you are a guest of your landlord. Therefore, you cannot bring guests to use the amenities at Elkins Lake.

Food and Beverage

Ala carte food and beverage service is available to renters. These services must be paid by cash or credit card. Special member events are for members only unless you are invited by and accompanied by a member.

Golf Privileges

Unaccompanied golf privileges are extended with payment of established guest fees. Call the Pro Shop at (936) 295-4312 to make a tee time. Explain that you are an authorized renter with a renter card when you make your reservation.

Swimming Pools

Guest wristbands are available at the Administration Office and are issued according to established guest policies.

Lakes/Fishing

The lakes may only be used by Property Owners (as defined by ELRC By-Laws) and their guests. All guests must be accompanied by a Property Owner. Only registered boats owned by a Property Owner may be on the lakes.

Swimming in the lakes or other water impoundments is prohibited.

Please call the Administration Office at (936) 295-8181 if you have any questions about interpreting the Elkins Lake Rules and Regulations.
