

520 Lovett Boulevard Montrose

Nestled in the vibrant heart of Montrose lies this meticulously restored and renovated ten-unit community. Offering five floor plans, this architectural gem stands as a testament to both timeless design and contemporary comforts. The top-to-bottom renovation means that you can be the first resident to live in these like-new spaces. New plumbing, HVAC, Appliances (W/D in unit), paint, windows, and refinished floors. Each home has been carefully curate, offering residents a unique experience that pays homage to the design trends of the mid-20th century while providing all the comforts of modern living. Whether you're drawn to the classic aesthetics or the chic urban vibe, this MCM complex is the epitome of cool sophistication and serves a callback to the vibrant roots of the neighborhood.
