

NOTICE TO PURCHASER OF SPECIAL TAXING DISTRICT

The real property that you are about to purchase is located in the Sienna Parks & Levee Improvement District of Fort Bend County and may be subject to district taxes. The district may, subject to voter approval, impose taxes and issue bonds. The district may impose an unlimited rate of tax in payment of such bonds. The current rate of the district property tax is \$0.4325 on each \$100 of assessed valuation. The total amounts of bonds payable wholly or partly from property taxes, excluding refunding bonds that are separately approved by the voters and excluding any bonds or any portions of bonds issued that are payable solely from revenues received or expected to be received under a contract with a governmental entity, approved by the voters are \$249,000,000 for levee drainage facilities and \$49,000,000 for parks and recreational facilities. The aggregate initial principal amounts of all such bonds issued are \$211,400,000 for levee drainage facilities and \$29,405,000 for parks and recreational facilities.

The district is located wholly or partly within the corporate boundaries of the City of Missouri City, within the extraterritorial jurisdiction of the City of Missouri City, and within the extraterritorial jurisdiction of the City of Alvin. Texas law governs the ability of a municipality to annex property in the municipality's extraterritorial jurisdiction and whether a district that is annexed by the municipality is dissolved. The municipality and the district overlap but may not provide duplicate services or improvements. Property located in the municipality and the district is subject to taxation by the municipality and the district.

The purpose of the district is to provide drainage, flood control facilities, and parks and recreational facilities and services. The cost of district facilities is not included in the purchase price of your property.
