

# The Warwick

- The large, dramatic entry and winding staircase with beautiful oak handrails announces you have arrived.
- Flexibility is the key word to describe this plan with its three, four, or five bedroom capabilities.
- Quiet reflection in the study, formal entertainment in the living room and dining room, or just relaxing with the family - you have it all with this home.

- The expansive and open kitchen / family room areas are great for family living and entertaining.
- The unique coffered ceiling in this magnificent Master Suite offers you drama and spaciousness.
- The well appointed Executive Bath features a luxurious soaker tub . . . just what you wanted.
- The detached garage makes your home a showplace to be enjoyed by all.
