

Milan

C O L L E C T I O N

Cool grays complemented by sophisticated whites welcome you. This home fits as well as a tailored suit, and every day feels like an indulgence. It's the outfit tailored to your tastes. High fashion and high design. The sophisticated countertops run through the heart of the home, along the countertop and up into a chic backsplash. Rest your bags on the kitchen island after a day of shopping or rest your mind with a bath after a night on the town.
